CATHARTIC PILLS

()PERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such a derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exulted position and character as to forbid the suspicion of untruth. Their certificates, are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure Fon Costiveness.—Take one or two Pills, or such quantity as to gently move the bowels. Cosrole Costiveness.— Take one or two falls, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of Piles, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved. For Dyspersia, which is sometimes the cause of Costineness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach

and liver into healthy action. They will do it, and the hearthurn, bodyburn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a Four Stonger, or Morbid Inaction of the Bonels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system. FOR NEUVOUNDESS, SICK HEADACHE, NAUSEA, Pain in the Signach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't went these and their kindred disorders because your stomach is foul orders because your stomach is foul.

FOR SCROFULA, ERYSIPELAS, and all Discases of the Skin. take the Pills freely and frequently, to keep the bowels open. The cruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duly to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system.

system wants cleansing.
To Puntry the Blood, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property that do as much good in preventing sickness as by they do as much good in preventing sickness as by the remarkable cures which they are making every LIVER COMPLAINT, JAUNDICE, and all Bilious ffections, arise from some derangement - either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Custiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low spirits, vehriuess, restlessness, and melancholy, with sometimes in ability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system pritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious

which may turn to bilious fever, bilious colic diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pairs when you can cure them for 25 cents. RHEMATISM, GOUT, and all Inflammatory Fesuch pains when you can cure them for 2) cents.
RHEUMATISM, GOUT, and all Inflammatory Ferces, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed.
