JOEL PRATT, of the ship Marion, writes from Boston, 20th April, 1854: "Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. At lash failed of any relief by my Physician, and from every remody I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best ef-fects. They were promply cured. I recommended them to a friend for cosiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world; and I am free to say so." My wile was cnred, two years since, of a se-vera and dangerous cough, by your CHENET PECTORI, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influ-enza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years, -- indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of. the ecounty affords, and from any of the numerous reme-
