# **CATHARTIC PILLS**

CATHARTIC PILLS OPERATE by their powerful influence on the internal viscera to purify the blood and stimu-late it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dan-gerous diseases almost beyond belief, wers they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Amarac, which they have been found to cure FOE CostTVENEES. — Take one or two Pills, or such quantity as to gently move the bowels. Cos-tiveness is frequently theseggravating cause of FILEs, and the cure of one complaint is the cures of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved. To B DYSFERSIA, which is sometimes the cause of *Costiveness*, and slways uncomfortable, take mild disease from one to four — to stimulate the stomach and the fuelthy action. They will do it, and the hearthurn, bodyburn, and soulburn of dyspepsia will rapidly diseppear. When it has gone, don't forget what cured you. Tor a FOUNDERSIA, or *Morbid Inaction of the Bowels*, which produces general depression of the strict, and smaller doses afterwards, until activity and strength is restored to the system. The eruptions will gener-ally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Fills, and some-disgusting diseases which seemed to esturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

of the unclean diseases of the skin, because your system wants cleansing. To FURRY THE BLOOD, they are the best medi-cine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, and all Bilious LIVER COMPLAINT, JAUNDICE, and all Bilious Affections, arise from some derangement — either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to tho health, and the constitution is frequently under-mined by no other cause. Indigestion is the symp-tom. Obstruction of the duct which empities the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhoza, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes in-ability to sleep, and sometimes great drowsiness is sometimes there is severe pain in the side; the skin and the whits of the eyes become a greenish yellow; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhœa, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remore the cause of all these troubles. It is wicked to suffer such mains when you can cure theori for 25 cents.

This one circumstance I deemot in your favor, if I could insti-tute a test comparison between it and your Cure.-

The following is the result: Three persons took your "Cure," all of which were cases of "Quinine Intermittent Fever" of many weeks standing. They had tried Quinine and other remedies, occasionally missing a chill, but it was (as in all such cases) slowly wearing them out and laying the foundation of other, and severer maladies. I did succeed in effecting a radical cure/ of all three of these cases with your remedy, and they have not had a chill since.
