TONICS WON'T DO.

PHEY never did do more than give temporary re-I lief, and they never will. It is because they lon't touch the CAUSE of the disease. The CAUSE O all ague and bilious diseases is the atmospheric poi son called Miasma or Malaria. Neutralize this poi-L. F. FITCH. Son by its NATURAL ANTINOTE, and all disease caused by it disappears at once. Rhode's Fever and Ague Cure is this Antidote to Malaria, and moreover it is a perfectly harmless modicing. The certificate of the celebrated chemist, J. R. Chilton, of New York, to this effect, is attached to every bottle; therefore if it does no good it can do no harm.

This is more than can be said of Quinine, Arsenic, or any tonic in existence, as their use is ruinous to the constitution and brings on Dumb Ague, which never allows a person to feel perfectly well for a single moment. In illustration of these truths I annex Some extracts just received from a physician:

CEORGETOWN, Ohio, March 17, 1856.

JAS. A. Rhopes, Fsq.-Dear sir: Yours of 2d inst, if at hand. The Cure arrived late last year, and difficulty the in getting any one to try it was greatly increased from the fact that a remedy had been introeed which was growing into favor with the public TTORNEYS AND COUNSELLORS AT LAW, as being better than using Quinine-not knowing, I Office on Turpike street, one door East of presume; that the remedy they used to escape Quinine, contained the pars irser! This remedy (known as "Smith's Tonic") would invariably sheak an ague, but it did not cure it, as it would often return with renewed vigor. This one circumstance I deemed in your favor, if I could institute a test comparison between it and your Cure .-The following is the result: TTORNEY AT LAW AND COMMISSIONER of DEEDS, for the State of New York, will attend to all business entrusted to him with promptness and idelity. Office on Public Square, occupied by Hon. in all such cases) slowly wearing them out and laying

the foundation of other and severer maladies. I did succeed in effecting a radical cure of all three of these cases with your remedy, and they have not had a chill since. In all three of these cases the "Smith's Tonic" had been used, and would, as before stated, break the chill but after a period or two had clapsed I think there will be no difficulty now in giving your "Cure" the vantage ground of any other remedy now in use here, &c. &c. WM. BUCKNER, M.D. RHODE'S FEVER AND AGUE CURE, or ANTI-

DOTE TO MALARIA, the only harmless remedy in existence, is equally certain as a preventive as a cure. Take it when you feel the chills coming on, and you never will have a single one.

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond bellef, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directious for their use in the complaints which they have been found to cure.

For Costiveness.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

For Dysparsia, which is sometimes the cause of Costiveness, and always uncomfortable, take mild

of, Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the heartburn, bodyburn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a Foul Stomach, or Morbid Inaction of the Bouck, which produces general depression of the spirits and bad health, take from four to eight Pills spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NERVOUSNESS, SICK HEADACHE, NAUSEA, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't went these and their kindred disorders because your stomach is foul.

FOR SCROPULA, ERYSIPELAS, and all Diseases of the Skin, take the Pills freely and frequently, to keen the howels open. The gruntions will rener-

of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the
bile into the stomach causes the bile to overflow
into the blood. This produces Jaundice, with along and dangerous train of evils. Costiveness, or
alternately costiveness and diarrhea, prevails.
Feverish symptoms, languor, low spirits, weariness,
restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness;
sometimes there is severe pain in the side; the skinand the white of the eyes become a greenish yellow; and the white of the eyes become a greenish yellow; the stomach acid; the bowels sere to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer ins when you can cure them for RHEUMATISM, GOUT, and all Inflammatory Fe-ters, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to

the purpose for which a dinner pill is employed. PREPARED BY DR. J. C. AYER & CO., Practical and Analytical Chemists,
