TONICS WON'T DO.

PHEY never did do more than give temporary re 1 lief, and they never will. It is because they don't touch the carse of the disease. The carse o all ague and bilious diseases is the atmospheric poi son called Miasma or Malaria. Neutralize this poison by its NATURAL ANTIDOTE, and all disease caused by it disappears at once. Rhode's Fever and Ague Cure is this Antidote to Malaria, and moreover it is a perfectly harmless medicine. The certificate of the celebrated chemist, J. R. Chilton, of New York, to this effect, is attached to every bottle; therefore if it does no good it can do no harm.

This is more than can be said of Quinine, Arsenie or any tonic in existence, as their use is ruinous to the constitution and-brings on Dumb Ague, which never allows a person to feel perfectly well for a single moment. In illustration of these truths Lannex some extracts just received from a physician: CEORGETOWN, Ohio, March 17, 1856.

"I am happy to say of your Catharnic Pills, that I have found them a better foundy medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and co-incide with me in believing that they possess extraordinary virtues for driving out diseases and caring the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have eyer found. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my lead, and destroyed my hair, and has kept me partly bald all my days; sometimes it came out in my face, and kept it for months a raw sore.

"About nine weeks ago I commenced taking your Cathartic Fills, and now am entirely free from the complaint. My cycsiare well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

Boston, 20th April, 1854:

"Your Pills have cured me from a bilious attack which
arose from derangement of the Liver, which had become
very scrious. I had failed of any relief by my Physician,
and from every remedy I could try; but a few doses of
your Pills have completely restored me to health. I have
given them to my children for worms, with the best effects. They were promptly cured. I recommended them
to a friend for costivenes, which had troubled him for
months; he told me in a few days they had cured him.
You make the best medicine in the world; and I am free

"Sir: I have great satisfaction in assuring you that myself and family have been very much ben fited by your medicines. My wife was cared, two years since, of a severe and dangerous cough, by your Chebby Precosal, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influence and Croup by it. It is an invaluable remedy for these complaints. Your Cathabure Pills have entirely cured me from a dyspepsia and contiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the lact that I had failed to get selief from the best Physicians which this section of Geocometry affords, and from any of the numerous reme-

"In J. C. Aven—Homored Sir. I have made a thorough trial of the Catharic Pills, left me by your accent, and have been cured by them of the dreadful Rheumatism underwhich he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feelin better health now than to some years before, which I attribute entirely to the effects of your Carnattic Pills. Yours with great respect,
