THE Hon. Ephraim Marsh, of New Jersey, who presided over the Convention which nominated Mr. Fillmore, in February last, has formally given in his adhesion to Mr. Fremont, upon the ground that the contest lies entirely between the latter and Mr. Buchanan, and that he is unwilling to become a party to the extension of slavery. This gentleman has long been known as one of our old Whigs, and as a prominent American, and he has also been recognized as an unwavering friend of freedom in the Territories.

Mr Breckinridge, the Democratic candidate for the Vice Presidency, in his late speech at the Democratic mass meeting on the Tippecanoe Battle Ground, assumed the same disunion ground occupied by Mr. Fillmore. As reported in the Cincinnati Enquirer, a Buchanan paper, Mr Breckieridge

The agreement between the State Conventions of the Republicans and Americans in Massachusetts, in session on Tuesday, at Worcester, was perfect and enthusiastic. (PERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free totall inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure. Four Costiveness.—Take one or two Fills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a coative habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPETSIA, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthurn, bodyburn, and sour burn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a FOUL STOMACH, or Morbid Inaction of the Spirits and biad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

If they do not operate sufficiently, take more the next day until they do. Those complaints will be swept out from the system. Don't wear these and their kindred disorders because your stondach is foul.

FOR SCHOPULA, EXYSIPELAS, and all Diseases for the state of the stat For Scropula, Envilpelas, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the semptom, Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with long and dangerous train of evils. Costiveness or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; anney to seep, the severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhoa, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

Rieumatism, Gour, and all Infaminatory Ferers, are rapidly cured by the purifying effects of RHEUMATISM, GOUR, and all Inflaminatory Ferers, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulas which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in which there are the bands of the property of the prop mild doses, to move the bowels gently, but freely. As a DINNER PILE, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed.

Forest Lake, Susquehanna County, Pa. TOXICS WON'T DO.

HEY never did do more than give temporary I liet, and they never will. It is because they lou't touch the CAUSE of the disease. The CAUSE oall ague and bilious diseases is the atmospheric poison called Miasma or Malaria. Neutralize this poison by its NATURAL ANTIDOTE, and all disease caused by it disappears at once. Rhode's Fever and Ague Cure is this Antidote to Malaria and moreover it is Cure is this Antidote to Malaria, and moreover it is a Montrose, Pa. perfectly harmless medicine. The certificate of the celebrated chemist, J. R. Chilton, of New York, to this effect, is attached to every bottle; therefore if it

does no good it can do no harm.

This is more than can be said of Quinine, Arsenic or any tonic in existence, as their use is ruinous to the constitution and brings on Dumb Ague, which never allows a person to feel perfectly well for a single moment. In illustration of these truths I annex some extracts just received from a physician: CEURGETOWN, Ohio, March 17, 1856.

JAS. A. RHODES, FSQ.—Dear sir: Yours of 2d inst is at hand. The Cure arrived late last year, and difficulty the in getting any one to try it was greatly increased from the fact that a remedy had been introduced which was growing into favor with the public, as being better than using Quinine—not knowing, I presume, that the remedy they used to escape Qui ine, contained the DRUG ITSELF! This remedy (known as "Smith's Tonie") would in-

variably BREAK an ague, but it did not cune it, as it would often return with renewed vigor. This one circumstance I deemed in your favor, if I could institute a test comparison between it and your Cure.-The following is the result: Three persons took your "Cure," all of which were cases of "Quinine Intermittent Fever" of many weeks standing. They had tried Quinine and other remedies, occasionally missing a chill, but it was (as in all such cases) slowly wearing them out and laying the foundation of other and seyerer maladies. I did succeed in effecting a radical cure of all three of these cases with your remedy, and they have not had

Tonic" had been used, and would, as before stated, break the chill, but after a period or two had elapsed t would return. I think there will be no difficulty now in giving y now in use here, &c. &c. Wm. Buckner, m. D. RHODE'S FEVER AND AGUE CURE, or ANTI-DOTE TO MALARIA, the only harmless remedy in existence, is equally certain as a preventive as a cure. Take it when you feel the chills coming on, and you never will have a single one.
