Democracy in 1849.

Resolution adopted by the Democratic State Convention, held in Pittsburg, July 4, 1849:

Resolved, That the Democratic party adheres now, as it ever has done, to the Constitution and the country. Its letter and spirit they will neither weaken nor destroy, and they re-declare that Slavery is a domestic local institution of the South, *subject to State Legislation alone*, and with which the general government has nothing to do. Wherever the State law extends its jurisdiction, the local institutions can continue to exist. *Esteeming it a violation of State rights to carry it beyond State limits, we deny the power of any citizen to extend the area of bondage beyond its present dominion, nor do we consider it a part of the compromise of the Constitution that Slavery should forever travel with the advancing columns of our territorial progress!*

Republicanism in 1856.

Resolution adopted by the Republican National Convention, held in Philadelphia, June 17, 1856:

Resolved, That with our Republican fathers, we hold it to be a self-evident truth, that all men are endowed with the inalienable right of life, liberty, and the pursuit of happiness, and that the primary object and ulterior design of our Federal Government is to grant these rights to all persons under its exclusive jurisdiction. That, as our Republican fathers, when they had abolished Slavery in all our National Territories, ordained that no person shall be deprived of life, liberty, or property, without due process of law, it becomes our duty to maintain this provision of the Constitution against all attempts to violate it for the purpose of establishing Slavery in the Territories of the United States by positive legislation, prohibiting its existence or extension therein. That we deny the authority of Congress, of a Territorial Legislature of any individual or any association of individuals, to give legal existence to Slavery in any Territory of the United States, while the present Constitution shall be maintained.

The Pathfinder.

How Fremont planted the American Flag on the Highest Peak of the Rocky Mountains.

"Putting hands and feet in the crevices between the blocks, I succeeded in getting over it, and, when I reached the top, found my companions in a small valley below.—Descending to them, we continued climbing, and in a short time reached the crest. I sprang upon the summit, and another step would have precipitated me into a snow field five hundred feet below. To the edge of this field was a sheer icy precipice, and then, with a gradual fall, the field sloped off for about a mile, until it struck the foot of another lower ridge. I stood on a narrow crest, about three feet in width, with an inclination of about 20 deg. N. 51 deg. E. As soon as I had gratified the first feelings of curiosity, I descended, and each man ascended in his turn; for I would only allow one at a time to mount the unstable and precarious slab, which it seemed a breath would hurl in the abyss below. We mounted the barometer in the snow on the summit, and fixing a ramrod in the crevice *unfurled the NATIONAL FLAG, to wave in the breeze where never flag waved before.—From Col. Fremont's report of his Rocky Mountain Expedition.*

FIGHTING FOR THE SOUTH.—A number of gentlemen called upon Mr. Buchanan, during his recent visit to this city. The call was made upon the evening after the Shamocratic fizzle. Among these were a Virginian, a North Carolinian, a Tennessean, and a Pennsylvanian. All of them were ardent admirers of the Shamocratic candidate. The Virginian promised him 15,000; the North Carolinian 10,000; the Tennessean 5000 majority in their respective States. Mr. Buchanan listened very complacently, and replied:

"The South is the land of sunshine and promise. She ought to do well for me, *I am fighting her battles.*"

If there were no other evidence of the sectionality of Mr. Buchanan than this, it would alone be sufficient to convict him of the most intense devotion to the South. He is not fighting the battles of Pennsylvania, or the North, or the Nation, but "*of the South.*" It is well that this fact is known.

So disgusted was the Pennsylvanian, who had been a life-long Democrat, that he left the company with the determination of voting for Fremont and Dayton.—Phil. Times.

BUYING AND SELLING VOTERS.—We hear from all quarters, says the 'National Era,' that some of the leaders of the Fillmore and Buchanan parties in New York and Pennsylvania, are proposing a new kind of trade in politics. Apprehensive that Fremont will carry both States, the proposition is, to sell the Buchanan voters in New York to Fillmore, and the Fillmore men in Pennsylvania to Buchanan. Should the speculation succeed, the election might be thrown into the House, and then, an election failing, Breckenridge would be acting President. Or, the Fillmore electors chosen in New York might receive a quid pro quo, for deciding the contest in favor of Buchanan. It is rather a complicated business transaction, and might fail to command the assent of the voters, who, it will be observed, are regarded chiefly as chattels, to be disposed of according to the will of their political overseers.

☞ The *Pittsburgh Gazette* says; "Gov. Geary *expects obedience to the laws of the Territorial Legislature*, until they are repealed. This is just the turning point of the whole case. Those 'laws of the Territorial Legislature'—infamous, invalid, and unconstitutional—are the causes of the whole difficulty. So long as they are in force, it is utterly impossible to effect their repeal. They disfranchise, by their test oaths, every man who wishes and would vote to repeal them. If repealed at all, it must be by the Legislature. Then the Legislature is to be chosen in accordance with the provisions of those very laws, and one of their requirements is that *no man shall vote or be eligible to office who will not take an oath to sustain them.*—What a mockery is it, therefore, for Governor Geary to tell the people of Kansas that those laws must be obeyed until repealed!"

RATHER SIGNIFICANT.—Ex-Gov. Floyd, of Virginia, addressed the merchants of New York on Thursday, Oct. 2, in reply to Mr. Banks, and at the close of his address made this significant remark:

"There is not a man in the South will say that there is any ground of suspicion as to my fidelity to the Democratic party, and I tell you here that I am an elector in Virginia, and am going to be chosen; [cries of "good,"] if you can show me that the candidate of the Black Republican party can only be beaten by my vote for Mr. Fillmore, why then I will give my vote for him, if the ground should open and swallow me. [Applause.] I will tell you something more: Virginia, Democratic Virginia, that never failed, never faltered, and never tired, in the most critical times, will come out and stand at my back in that crisis."

MR. BURLINGAME RE-NOMINATED.—The Americans and Republicans of the Fifth District have re-nominated the Hon. Anson Burlingame for re-election to Congress.

☞ The *Squatter Sovereign*, Mr. Buchanan's organ on the Missouri Border, in speaking of Lane and the settlers whom he has conducted to Kansas, says:

"We must 'fight the devil with fire'—scourge the country of Abolitionism, Free Soilism, and every other damnable ism that Exists. *DESTROY THEIR PROPERTY, CROPS AND EVERY OTHER ARTICLE THAT WOULD CONDUCE TO THE SUPPORT OF ANY OR EVERY PERSON WHO IS KNOWN OR SUSPECTED OF ACTING, CO-OPERATING OR SYMPATHIZING WITH ABOLITIONISM.* This must be done, or the territory will be one continual scene of strife for months to come. Do this, and peace will be restored and quiet prevail. It is not *too late*, the work should be carried on vigorously."

JOHN VAN BUREN.—Among all the dirt-eaters in the north part of the country, we know of none that has taken so much as John Van Buren, who is now advocating Buchanan's election. Compare his present course with his declaration at Buffalo in 1848. The following is a specimen:

"If ever I vote for, or am advocate of, a man to office, holding views opposed to the doctrines of the Buffalo platform, may my right hand forget its cunning, and my tongue cleave to the roof of my mouth! and any man holding contrary views and living at the North *ought to be per emptorily damned!*"

Undoubtedly John will get his just dues.

☞ The issue in the present Presidential campaign is becoming plainer and more distinctly defined every day. The following resolution was passed at a late meeting of the nigger democracy in Fauquier, Va.:

Resolved, That the paramount issue of this canvass is the slavery question to which there can be but two sides, the one held by the black republicans, and the other by the democracy, and that those who are not for us are against us.

SOUTHERN POLITICS.—A correspondent of the N. Y. *Express*, writing from Montgomery, Alabama, on the 3d, concludes his letter as follows, italicising as given below:

"There is one thing you do not perhaps know. *The southern electors will, without doubt, throw their vote for either Buchanan or Fillmore, if by doing so they find after the election, they can defeat Fremont in that way only.*"

☞ Mr. Brooks, when on the 4th of March he commences his foray upon Washington, to seize the archives and treasury, will meet with an insurmountable difficulty. He will find the treasury is at New York and Philadelphia, and Boston, where the public revenues are collected, and he cannot get to these places without going "through the enemy's country."—*Providence Journal.*

Important Discovery.

DR. HALSEY'S FOREST WINE.

AND

GUM-COATED FOREST PILLS.

20,000 *CURES IN ONE YEAR.*

DR. HALSEY, of New York, has invented a process by which a rich luxuriant WINE is produced from certain plants of great medicinal virtues.—This delightful Wine combines all the high medicinal properties of the *Dandelion, Sarsaparilla, Yellow Dock, Wild Cherry*, and certain other plants, whose virtues are *ten times more effective* as medical agents. So pure and concentrated are the medicinal properties of this Wine, that it has been found the most effective medicine now in use. Frequently, less than a single bottle restores the lingering Patient from debility and sickness to strong and vigorous health.—Every dose shows its good effects on the constitution, and improves the general health; and with Dr. Halsey's celebrated GUM-COATED FOREST PILLS as an adjunct, all the following disorders are permanently cured.

DYSPEPSIA AND INDIGESTION.—A box of the Forest Pills, and a bottle of the Wine, will cure the most distressing forms of this complaint.

AGUE AND FEVER.—One or two doses of the Pills, and a bottle of the Wine will break the ague and cure the Patient in all cases, when the directions on the bottle are adhered to.

DROPSICAL COMPLAINTS.—From one to two boxes of the Pills, and three bottles of the Wine, cure this obstinate disorder.

DISORDER OF THE KIDNEYS.—The Forest Wine and Pills have proved highly efficacious in this disorder. One to two boxes of the Pills, and three or four bottles of the Wine, are sufficient to accomplish a cure in the worst cases.

DEBILITY, NIGHT SWEATS, *Emaciation and Weakly State of the Constitution.*—The Forest Wine is a popular remedy for all these complaints. One to three bottles cure the worst cases without the use of the Pills; but when the complaint is accompanied with some other disorder the Pills will be required.

RHEUMATISM.—The efficacy of the Forest Remedies in Rheumatism is very singular. Some of the most distressing cases I ever saw have been cured by them in ten or twelve days' time.

BILOUS DISORDERS AND FOUL STOMACH.—One purgative dose of the Forest Pills will cure any bilious disorder, or any complaint arising from Foul Stomach and morbid condition of the bowels.

FEVERS.—One or two purgative doses will cure fevers.

COUGHS, COLDS ETC.—One box of the Pills, and a bottle of the Wine, will break up and cure the most severe *colds, coughs*, and *pain in the breast.*

ULCERS, BOILS, BLOTCHES, *Scabbed Head, Ringworm, Erysipelas, Salt Rheum, Sore Eyes, and every kind of Humor.*—These complaints all arise from one common cause—*impure blood.* Generally nothing but the Pills are required for the cure of most of these disorders; but if both remedies are used, two boxes of the Pills, and two or three bottles of the Wine, will cure the very worst cases, and frequently by less than half the quantity.

JAUNDICE.—Two boxes of the Pills, and as many bottles of the Wine, cure the worst case of Jaundice.

FEMALE OBSTRUCTIONS, produced from bad colds or weakly constitutions. A few doses of the Forest Wine cures the most distressing forms of these complaints; and if the Wine be followed up a few weeks, these derangments will not occur again. The Wine exactly suits the female constitution, and gives strength, vigor, and blooming health. Over a million of boxes and bottles have been sold within the last two years, in the United States and Canada. Letters and certificates to the amount of many thousand, have been received, testifying to the cures and good effects of these remedies.—

Forest Wine is in large square bottles, one dollar per bottle, or six bottles for five dollars. Forest Pills, twenty-five cents per box. General depot, 64 Walker Street, New York; and kept by one or more respectable druggist in almost every city and village in the Union and British Colonies.

General Depot, 64 Walker St. New York. Agents, in Montrose, Abel Turrell, in Great Bend, L. Boots, and all druggists. July 16, 1856.

Co. They also manufacture an excelsior Fanning Mill, (they call it) which may be very valuable if it is capable of blowing or clearing the chaff from the proprietor. Ah! what would be left?

I would say to those who may have been humbuged, that Emery's or Wheeler's Railroad Horse Powers, Threshers &c, are not made or allowed to be made this side of Albany; also to those wishing to purchase either Emery's or Wheeler's Machines, that Emery or Wheeler has not authorized nor desire Mr. H. Now farmers is the time to make from 12 to 25 or 30 per cent. on your investments. Remember I get my machines direct from the manufacturers. CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of diseases. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give *Directions* for their use in the complaints which they have been found to cure

FOR COSTIVENESS.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of Piles, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPEPSIA, which is sometimes the cause of *Costiveness*, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the *heartburn, bodyburn*, and *soulburn* of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a FOUL STOMACH, or *Morbid Inaction of the Bowels*, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NERVOUSNESS, SICK HEADACHE, NAUSEA, *Pain in the Stomach, Back, or Side*, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

FOR SCROFULA, ERYSIPELAS, *and all Diseases of the Skin*, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system, have completely yielded to their influence; leaving the sufferer a perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

TO PURIFY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, *and all Bilious Affections*, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhœa, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acids; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhœa, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

RHEUMATISM, GOUT, *and all Inflammatory Fevers*, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

AS A DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed.
