

C. F. READ & H. H. FRAZIER, EDITORS.

MONTROSE PA.

Thursday, November 6, 1856.

Republican Meeting. A Mass Meeting of the Republicans of Susquehanna County, will be held in Montrose, on Monday evening of the first week of next Court, November 17th. HON. G. A. GROW

and others will address the meeting. Our cause is just. Keep the ball rolling.

Republican County Committee. . The Republican County Committee of Susquehan-17th, at one o'clock, P. M. The fallowing gentlemen-

The Result.

We have delayed our paper to ge; more returns, but the telegraph wires have been thrown down by the wind throughout the country, so that the returns come in slowly. Those received indicate the success of Buchan an and Breckenridge. All of the New Enghand States, New York, and Ohio, have gone York, at \$3,00 a year in advance. for Fremont; Pennsylvania, Delaware and chanan, it is thought, cannot be elected. New York City.

over Fremont, which undoubtedly carries the before the public in its new form, that he is and with hear; and mind plead the great cause Kansas, and gave peremptory orders to ev-State against us, though we have returns from "going to stump the Union for it," and he

most a match for the Buchanan party, with United States." The editor's well-known many of the conditions of health, I am con- compelled to leave their houses, furniture, its thorough organization, and all its official power and originality as a writer on medical strained to confess I am an invalid. [Cheers.] shops, tools, stores, &c., to the honesty and patronage, public treasure, Fillmore American, Irish Catholic & nigger-breeding strength combined. There is vet a glorious future helation.

Subjects, will no doubt give the Scalpel in Scalpel in Senator Wilson, he proceeded to pass a high \$20,000 worth of goods as per invoices. If you have any idea what were the teelings of fore the party of freedom, justice and humanty, if this is to be a Land of Freedom.

The Annual Fair and Cattle show of the Susquehanna County Agricultural Society was held on Thursday, Sept. 25th, the plowing match being held the day previous. The attendince was fully as large as upon former years, and the exhibition of cattle, swine and sheep although not so large, was superior in quality o any previous exhibition. The display of Devons was excellent, surpassing that of many State Fairs in No's, and quality. The show of horses was good.

The No. of animals entered in the class of Bulls and Cows was 29. The judges awarded premiums as follows, viz. For the best Durham bull to Wm. H. Bart-

lett, for his Bull "Pedro." For the 2nd best Durham bull to Whitney and Breed for their bull Alton. For the best Devon bull to Harry Smith or his bull Rover. For the 2nd best Devon bull to H. V.

Sherman for his two year old bull. For the best Milch cow to Jesse Coon. For the 2nd, best Milch cow to Harry Smith. For the 3d best Milch cow to Harry Smith. For the best cow and calf, to Samuel F. Carmalt, for his Durham cow Eugenia and

her bull calf Wysox. For the 2nd best cow and calf to Everett John Harrington. Whitney, for his 3 year old cow and her calf. First premium for the greatest quantity of ard, Judges.

REPORT ON NEAT STOCK.

The Committee on neat stock, consisting of heifers, yearlings and calves, beg leave to re- 2d dq. to W. M. Tingley; 3d do. to D. Meport. That the show on the whole was su- Collum. perior to that of any previous Fair, but especially in calves, which were of decided excollence. In fact it was extremely gratifying rior quality, making it somewhat difficult to are paying to the care of their young stock as is evinced by this exhibition in which both Durhams and Devous exhibited their peculiar excellencies.

The Committee awarded the premiums for the best two year old heifer to Win. Jessup, \$5.00; second best, to Fowler Peck, \$3.00; third best, to D. Marsh, \$2,00.

For the best lot of yearlings, to Harry Smith, \$5,00; second best, H. H. Dunmore, \$3,00; third best, F. Hollister, \$2,00. The best lot of store calves, Samuel F. Carmait, \$5,00; second best, C. Hollister, \$3,00;

third best, P. Jackson, \$2,00. The Committee would take occasion to speak in terms of appropation of a lot of calves exhibited by Rufus Walworth of New Milford which they considered very creditable to his management, and one of Walworth's calves was superior to any exhibited. E G. Babcock, Daniel Stuart, Abel Pat-

rick, Judges. REPORT ON STEERS AND OXEN.

The No. of entries of Oxen and Steers was 18 pairs. The Committee Report the following premiums: best working oxen, R. Sutphin, \$5.00; second best, A. M. Tiffany, \$3,00; third best, al varieties from the gardens of H. Drinker F. E. Cale, \$2,00; Fourth best, Titus Smith and Wm. Jessup. Sonie very fine squashes

judgment Henry Drinker presents the best different varieties. Some very large and fine award a premium according to the rules of Abel Cassidy, Jacob Faurot, and F. H. Hol-the Society, and would recommend a discre-lister. L. M. Turrell of Forest Lake exhibtionary premium.

presented as is desirable, but they were of all of which were grown from trees of his own excellent quality. S.W.Breed, S.Turrel, D.Wakelee, Judges. REPORT ON SHEEP.

There were nine exhibitions of sheep numbering about 45 specimens. The Committee appointed to examine specmens of Sheep make the following report: Those on exhibition were of excellent quality both as regards wool and condition. Best fine wool buck, E. B. Goodrich : best South Down, Abel Cassidy; best long wool,

Geo. Harrison; second best, David Quick; best fine wool ewes, E. B. Goodrich; second best, Matthew Baldwin; best South downs, S. F. Carmalt; second best, S. F. Carmalt; best long wool, Abel Cassidy; second best, H. C. Conklin. They recommend a discretionary premi-

um on Lambs as follows, viz. Best buck, Milton Hunter, \$2,00; second best, J. L. Griffing, \$1,00. C. J. Curtis, H. P. Robins, J. Jameson.

REPORT ON SWINE.

The No. of swine entered was 20. The Committee on Swine, beg leave to reextremely good, and taken all together, A. O. Warren, \$1,00. would have done credit to any county in the

We award the first premium to S. F. Carmalt, for the best Suffolk Boar, \$3,00; second best, Hon Wm. Jessup, for the best Sow, Chester County blood, \$3,00; for the best lot pigs, cross of Suffolk and Chester, to Hon. Wm. Jessup, \$3,00; said pigs were extremely beautiful and attracted the attention of all. econd best sow Edwin Taylor, \$2.00. Wm. Austin exhibited a large sow that was

worthy of commendation, all of which is respectfully submitted. M. Newman, E. Gregory, H. P. Robbins,

REPORT ON HORSES.

There were 13 entries of Horses made. The Committee report that they have exmined the stock and award as follows: For the best Stall on, Geo. Harrison; second best, Roger Searle; third best, John Pad- \$2.00. dock; for the best Mare and colt, Milborn Oakley; second best, Wm. C. Ward; third hest, James Stone; best Gelding, Henry Drinker; second best, Wm. Jessup; third best, S. S. Barter; best pair of horses, J. W. Howard; second best,- Wm. Jessup; thied best, H. H. Dunmore. Your Committee also recommend the fol-

lowing discretionary premiums if the funds of the society permit. To Lewis A. Tompkins for a two year old

a pair of two year old Mambrino colts, \$2,00; Sol. McKeeby for a pair of two year Your Committee also notice a very fine four year old mare exhibited by Mr. Brackney,

Your Committee can report very favorably in regard to the great improvement made in more premiums to award as there were many more deserving, all of which your committeo respectfully submit.

Susquehanna County Fair and Cattle Show. fine indeed. We could have given a much better opinion however, and more satisfactory, to ourselves at least, if we could have had fair chance to discuss a specimen of each lot nicely roasted with "fixins" to match. We award the first premium of \$3,00 to

Nelson Hawley for the best lot of spring chickens half blood China; 2d do. to A. Baldwin, \$2,00; 3d do. to John A. Warner \$1,00: for the best pair Shanghais to W.E.Post, \$2. These are all the premiums in the published list. We take the liverty to recommend B discretionary premium of \$1,00 to Mr. A. Cassidy for a lot of fowls called the "Silver Pheasant,": a very beautiful variety, and said to be very fine layers and of excellent quality for eating and always keeping in fine order. There was also a fine lot of spring chickens exhibited by L. L. Lyons—also a most besutiful lot of Bantams by E. H. Rogers, and a lot of pretty doves by Lewis and Henry

Riley. Wm. J. Turrell, J. B. Beardslee, Harvey Griffin, Committee.

REPORT ON BUTTER AND CHEESE. The Committee on Butter and Cheese report that they award the first premium on butter to H. C.Conklin; second to Perrin Wells; third to Micheal Heffron; fourth to

George Frink, Wm. C. Ward, Orin Pitch. butter made from any given number of cows. to II. C. Conklin, being 1456 lbs. from 10 cows; 2d to A. Bodine—35 firkins and 12 lbs. from 30 cows.

First premium on cheese to O. F. Loomis;

Eighteen firkins and tubs of butter were offered for exhibition-most of them of supedecide which was best, and in the opinion of the Committee, doing credit to the exhibitors, and the County of Susquehanna. U. Burrows, W. D. Cope, G. B. Eldred.

Report of the dairy of Mrs. H. C. Couklin. of Ditnock, from the milking of ten cows:

Began April 27, 1856, with three cows .-The last of the ten "came in" the 1st day of July 1856-one of the ten being a two year old heifer-the other nine being a choice lot, selected from the dairy of the previous year. Amount of the butter made from the ten cows from April 27, 1856 to Sept 24, 1856, 17 fickins a 62 lbs. Aggregate weight 1456 lbs. I certify the above to be true.

H. C. CONKLIN. Sworn and subscribed before me Sept. 25, A. CHAMBERLAIN, J. P. REPORT ON VEGETABLES, VINEGAR AND HONEY. The Committee on Vegetables report and

award premiums as follows: They have examined the different varieties entered for competition, amongst which they would call attention to a fine specimen of toots exhibited by F. Casely-sixteen varieties of vegetables from the Garden of Isanc L. Post Charles Hammond gardener-also, sever were exhibited by II. Clemons, and Rev. S. Best lot of 3 year old steers, E. G. Rah. S. Barter. Several very fine lots of potatoes pearing, Mr. D. planted the balls from four Your Committee further report that in our different kinds, from which he raised eleven matched steers, but we are not at liberty to specimens of pumpkins, were exhibited by ited forty-five different varieties of apples-There were not as many Oxen and Steers many of them remarkably fine specimensraising. Abel Cassidy exhibited some twenty. varieties, remarkably fine. Eri Gregory also exhibited several varieties of very fine winter apples. J. Shaw, Z. Cobb, W. Z. Brown, S. Meacham and John Wood exhibited several varieties of fall, and winter apples:

Caleb Weeks exhibited a specimen of very large and fine onions, twelve bushels of which were raised on three square rods of ground, equal to 640 bushels per acre.

Ten lots of vinegar were entered by W. Z. Brown, N. R. Cale, B. McKenzie, J. G. Raymond, A. Hine, John Harrington, Lucas Stagger, J. E. Richardson, John S. Birchard and Z. Cobb, all of wich were extremely sour. On honey there were three competitors. Rev. A. O. Warren, J. Ethridge, and A. O.

The Com. award the premiums as follows: For the best variety of vegetables to I. L. Post. \$2.00; 2d to H. C. Jessup, \$1,00. For the best specimen of fall apples not

less than 1.2 bushel to L. M. Turrel, \$2,00; 2d best to John Wood, \$1,00; for the best pecimens of winter apples to Abel Cassidy, \$2.00; 2d best to Eri Gregory, \$1,00. For the best box of honey without destroy. port, that the number exhibited was small but ing bees, to J. Ethridge, \$2,00; 2d best, to

For the best five gallons cider vinegar, A. Hine, \$3,00; 2d best to S. W. Breed, \$2,00; all of which is respectfully submitted. A. Chamberlain, S. H. Sayre, F. P. Hol-

lister, Committee. The Committee award a discretionary premium of one dollar to Wm. V. Dean for his successful cultivation of potatoes from the seed REPORT ON LEATHER AND ITS MANUFACTURERS. Report of Committee on Leather and its

manufactures. The double team harness exhibited by G. F. Fordhain is well made and shows good workmanship, and the undersigned think it worthy a premium of \$2,00; provided the rules of the Society allow without competition. Also the single carriage harness, exhibited by the same, shows extra good workmanship and skill in manufacture, and your committee think it also worthy a premium of

The pair of Boots exhibited by W. G. Green, was an extra fine pair, and well worthy of a premium of \$1,00 on the same terms as the

R. Searle, O. Mott jr. committee. REPORT ON CABINET WORK.

The Committee on Cabinet work beg leave to report that one bureau, one bedstead, one wash-stand and one chair were exhibited by Fordham & Smith, very creditable to their Mambrino colt, \$2,00; A. G. Hollister, for a premium of \$3,00. L. Beech, Judge. manufactory, and would therefore award them REPORT ON FARM IMPLEMENTS.

To HENRY DRINKER Esq. Pres't: The Committee appointed to examine farm implements respectfully seport, that they have felt a deep and lively interest in the objects of their appointment, because from the rapid in regard to the great improvement made in the breed of horses which they hope will conchanical industry, as it relates to agriculture, tinue. They very much regret that there are no they believe the Farmers of Susquebanna county, will fall far behind their neighbors, unless they can be awakened to the urgent Geo.
