ully believe that every such improvement is been expected to deliver the address, was Vin Great Bend, on the 25th ult, after a long protract-Our mowing machines, horse powers, drills, es were made by Wm. Jessup and C. Carcultivators, harrows, horse-rakes, reapers, corn- malt, former-Presidents of the Society. shellers, hand mills, straw and stalk cutters. will not only relieve the farmer from incessant toil, and give him license to cultivate his inderstanding, but will themselves operate ary premiums, which the Ex. Com, thought s instructors, teaching him many things of the funds of the Society were not sufficient which he would forever remain ignorant, and to meet. diffusing an amount of practical and mechan. ical intelligence, that may itself be turned to account in other pursuits. We are satisfied that the time is approaching when these things like rail-roads and steam engines are fast be-

coming moral, physical, living necessities, without which every country must necessarily retrograde or remain in a state of semibar-barism. The Committee understand that the judges

of plowing have given their united judgment in favor of the cast-iron beam plow-and with this your Committee concur. The team is so much nearer the point of draft, the plow such infamous imprisonment; it may have runs so much leveller and evener, the handles for its ulterior object the knowledge that Ungive so much advantage to the plowman, the cle Sam has to pay for it. During Thursday permanency durability and light draft all contribute to enhance the value of this most im. eled. portant of all implements, and your Committee rejoice to add that the new patent clevis chtertain Free-State sentiments, Nou will NETS, SHAWLS of various kinds and prices, &c.&c., which is itself a valuable improvement has comprehend the nature of such juries, and still been very generally adopted. Your Committee concur in awarding the premium to Merrit now recognized as such by Free State men. Mott for his cast-iron plow, \$3,00; for the second hest plow to S. H. and D. Savre, for their improved Blatchley plow; \$2,00; who put upon trial. The indictment of four of the have also exhibited a very handsome lot of stoves.

Your Committee award the premium for the best cultivator to M. & E. Mott. for their broad Cultivator, three dollars. No straw or fodder cutters were entered for premiums, and of course no premiums have been awarded.

No corn shellers except those exhibited in formet years were exhibited. The committee saw no chains on the ground that they thought entitled to premiums. No butter firkins were exhibited. A patent horse-rake was exhibited, but conr committee did not consider it any im-

provement upon the revolving rake. Two single borse buggies were exhibited. but they were not remarkable for any peculind advantage. They were of excellent workmanship, and neatly finished, one made by E. Rogers, and one by Howell. The following new inventions were exhibited, to each of which the committee award a Another person pear Winona, Minnesota, s Deaths.

lingering illness, Mrs. MARY, wife of E. A. Pratt, in the 80th year of her age. Quiet and modest in her manners, silf-balanced and well-principled in conduct, she was much endeared to her family, and esteemed by numerous friends. Those who knew her best esteemed her most. During her sickness she felt conscious that disease was fast hurrying her away, but trusting in the merits of Christ, she met the King of Terrors with marked christian fortitude. The mind did not sink with the body; thing above suffering, her strong confidence in God, her hopes in the merits of Christ, removed

the sting of death, and she sank calmily to rest. Life's discipling of suffering has been accomplished, and the beloved wife, the devoted mother, the affectionate daughter sister and friend, has gone, we hope and trust, to that better home, whose children never more shall taste of sorrow or death.
