CATHARTIC PILLS PERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persens of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Lives Complaint, Jaundice, and all Bilious Affections, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion villate the bile and render it unfit for digestion. This is disastrons to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. HALSEY, of New York, has invented a pro- Montrose, Pa. ed from certain plants of great medicinal virtues,-This delightful Wine combines all the high medicinal roperties of the Dandelion, Sarsaparella, Yellow Dock, Wild Cherry, and certain other plants, whose virtues are ten times more effective as medical agents. So pure and concentrated are the medicinal properties of this Wine, that it has been found the most effective medicine now in use. Frequently, less than a single bottle restores the lingering Patient from deility and sickness to strong and vigorous health. Every dose shows its good effects on the constitution and improves the general health; and with Dr. Halsey's celebrated GUM-COATED FOREST PILLS as an adjunct, all the following disorders are premanent

Dyspersia and Indigestion .- A box of the Forest Pills, and a bottle of the Wine, will cure the most distressing forms of this complaint. Ague ASD FEVER .- One or two doses of the Pills and a bottle of the Wine will break the ague and cure the Patient in all cases, when the directions on the bottle are adhered to.

DROPSICAL COMPLAINTS .- From one to two boxes of the Pills, and three bottles of the Wine, cure this obstinate disorder. DISORDER OF THE KIDNEYS .- The Forest Wine and Pills have proved highly efficacious in this disorder.
