Have all flower-pots washed, dried, and put away as soon as they are empty. Never fill a pot so full of soil but that it player obstructs the sunshine. A stranger to American hold water enough to go through it; most blessed with Education, Intelligence, Thrift and Virtue, by seaming the returns of the Presidential contest of 1856. We have failed of present successive the compost. may hold water enough to go through it; every pot should have half an inch of vacancy above the compost.

Never grow a bad variety of anything if you can help it. It takes the same room. and wants the same attention as a good one. Never buy cheap seed. It is only by getting good prices that a seedsman can supply articles to be depended on. Cover all seeds with at least their own

thickness of soil; but as some of it gets washed off you must allow for it. Gather fruit in dry weather, and with the sun shining, and place them as carefully in the basket as if they were glass. The smallest bruise commences a decay. Never subject a plant to a rapid change of

temperature. Sudden check or sudden excitement are equally injurious. Never grow the same crop, nor crops the same family twice on the same spot without an intervening crop of a different nature. Never transplant shrubs and trees in a growing state. However carefully it may be done, the check is dangerous, it not fatal. Keep, all kinds of plants under glass as

close as possible to the light.

Never tie up lettuces or endives, or earth up celery, except whenperfectly dry. They up celery, except when perfectly dry.

They ience or the prey of their wiser or stronger bretheren to spoil if you do.

Keep your plants clean. Dust and dirt on léaves make the plant unhealthy, and will in time kill it.

Never grow a plant too fast; it is no credit to you, because anybody can do it, and it spoils the plant to a certainty. Never train or support a plant unnaturally Climbers will not be hanging about. Trail

ers will not do climbing.

Never sweep a gravel walk with an old Never sweep a gravel walk with an old prevail, for God reigns, and Earth was not created broom. It not only tears the edgeing, but it to be a theater of injustice, oppression and misory for ever. It was triump; for all true prophecy afscrapes up the walk itself. Mow lawns before the dew is off the grass, amless you have a machine, which cuts it

Rapid growth makes a mild flavor, slow growth a strong one. Therefore grow vege tables quick, and fruit moderately.

THE OSAGE ORANGE-Has been extensively recommended by nurserymen and agricully recommended by nurserymen and agricul-our arms in slumber, our adversaries would not per-tural journals, for the last few years, as a mit it. They are busy to-day in lengthening their very desirable hedge-plant for the prairies of cords and strengthening their stakes with a vigilance the West. It has been claimed by some as and activity which reveals a consciousness on their the West. It has been claimed by some as and that their dominion must be made sure forthwith Spoons (all corrented) Ladies Pins, Ear Drops, Bracetor the one thing needful in that country for fencor their scepter will have forever departed. To-day, lets, Silver Fruit, Kuives, Rings, Napkin Rings, Specing, and armed with a few bushels of this ing, and armed with a few observed of the same and married in the heart of Censeed, the settler might pitch his tent as well Northern Mexico, are encamped in the heart of Cenwill be sold at a very low figure.

BENTLEY & READ. in the treeless prairie as in the forest, so far tral America and waging a war of extermination of as fencing-timber was concerned.

We recently saw an intelligent farmer from Illinois, and asked him about the success of this plant in his region. He informed us ministration. Even as we write, the telegraph informs us that it was indeed a good he ige-plant, but it forms us that twenty Free-State men, guilty of atnat it was indeed a good heige-plant, but it to the same and their bones against the rapine and violence of Bulord's and Titus's blood-thirsty bandits, have been convicted by Lecompte's Court of was in the end more expensive than rail-force. three years, but required regular cutting in, manslaughter; and sentenced to five years' imprisonro mending or care for several years. Heft to themselves the plants would soon die out aids them in hunting down, plundering and wiping at the bottom, and the hedge would be inse-

The plant, too, he said, required a good resisting their oppressors. Such crimes and wrongs death from in order to flourish. At least twenty feet of ground upon each side must be left and the plant of the attempt was made to plow near the hear the hear that the plant ach side of the attempt of the stine of and killed it.

THE CHEAPEST FENCE For the prairies, and indeed for all land without stones and timber, is unquestionably iron. Substantial wire, with iron posts, may cost a little more at first, but if properly painted it will last a century. He said the cattle were afraid to come near it, it wasted no land either by superfluous roots, or by shade. Every square foot of land was availpainted it will last a century. He said the shade. Every square foot of land was available. This gave better satisfaction among the farmers in his vicinity than anything else.

Hor-Beds.-Not one farmer out of every twenty knows what it is to have his table well supplied with vegetables, although the cost of a hot-bed is trifling, and it can be made in a few hours, at a time when the work on the farm is not very pressing. Choose a warm, dry border facing to the south or southwest, and out of the range of buildings and shade-trees, so that it will have the full force of the sun's rays. Dig a pit from one two feet deep, over which to place he frame. Make the frame of one and a quarter he plank. The size may be from three to five feet width and of any desirable length. When the me is adjusted over the pit, filtit about half full of the stable manure which has been well kept and ble, and our Foreign and Domestic News made up the manure of the weather. Put on frame. Make the frame of one and a quarter The stable manure which has been went kept and ble, and our Foreign and Domestic News made up nexposed to the action of the weather. Put on, with a careful regard to the condensation into our thusbes and allow them to remain for three or four, ample columns of the greatest amount of intelligence that is consistent with the use of type of generous Sinches in depth. This must be the best mould that is consistent with the use of type of generous shake in depth. This must be the best mould that is consistent with the use of type of generous size. In short, if we fail to make The Tribush worth the procured from the garden. The seed showing the planted for several days after the bed fort. has a made, as there is danger of destroying the germ seed is put over the hot manure too soon.

Air shi be given to the bed before it is planted. iven to the bed before it is planted; ties, we urge them to see that Clubs be made up and ould be banked up with warm manure lorwarded in due season. The Postmasters are semiand soli all sides, to protect it from cold, and when officially admonished not to aid our circulation, but the west is unusually inciement, it would be well to cover ith straw. The bed should be sprinkled with wastally until the plants appear, and when the weaths sufficiently mild, the ashes can be removed to at the entrance of fresh air, and make light of Freedom in the murky mists of Suvery. the plants w strong and hardy.

A Good L. We observe that a movement is afoot in the a York Legislature to secure the purchase of the 5 agricultral works published to be placed in the bire school libraries of the State.

There they can wall to at act more or less attention, as a great proper will be a super to the state. There they can sail to at act more or less attention, as a great propose, will be in agricultural districts. The books will be implicated so low a rate that for twenty or they days east school will secure the less recent publicates, of lose at least embodying the great modern ides on a culture.

This is an excellent flow to one which we could wish to see realized in every in the country. In fact, our farmers should have by a cility extended them have acquiring information of casting of their old fashioned exactly as reads "book larnin." There is they day a farmer in the untry who would not be interested or, at least, prop d by the Patent Office Agricultural Report, brief a mastisfactory as it is in many of its most interest details. Any measure whatever tending to rende uch books common in the rural discountry.

mon in the rural districts and especier to familiarize the minds of the risiber generation with the serious study and warm support. enlarged views and true public spi

DR. HALSEY'S FOREST WINE. A E . SHAND BE E. RVI **GUM-COATED FOREST PILLS** The most extraordinary discovery in the 1,000,000 Bottles and Boxes sold annually, AND THOUSANDS OF LIVESSAVED FROM A PREMATURE GRAVE BY THIS LATE DISCOVERY.

of Testimonials, of the most unexceptionable chan acter, are continually pouring in from ever art of the country, bearing witness to the unparal elod efficacy of these medicines The following show the mimber of cases cured, certified to by letters and other testimonials, received rom all parts of the Union and British colonics, from the 1st of January, 1855, to January 1st, 1856, in

od medicines have been made known to the pub lic, vet thousands have already experienced their good effects. Invalids, given over by their physicians a incurable, have found relief and been restored to sound and vigorous health from their use. The great amount of good these medicines have done, has it duced thousands to recommend them to their friends Men of integrity and physicians have sanctioned their use, recommended them to the public. READER, if you want not your constitution is ured by that slow, larking poison, calonel; or othe

mineral substances, touch not such medicines as con tain them, but procure those excellent and purely regetable preparations, Halsey's Forest Wine and If you have the dyspepsia, or are troubled with ostiveness, take this Wine and the Pills, according to the directions, and you will then get well-If you are nervous, or weakly, or have emaciate countenance, or general debility, this Wine and the Piil will restore you to health and energy. If you have unhealthy colored skin, or pimples, stules, or blotches, these medicines will purify the blood and eradicate all such humors. If you have a weakly constitution, and feel you selves too old for your years, take these excellent

mudicines, and they will invigorate your constitution and fortify it for longer life. a fit of sickness, and save your doctor's bill of \$10, \$20, or \$50. If you have the liver complaint, the Forest Wine and Pills will cure it. These medicines exert a pow-

erful and most salutary action on the liver, and have Avenue, Montrose, Pa. been the means of curing thousands of this trouble-PARENTS, there is not, perhaps, a month in the year that some member of your family does not comof some kind or other soon follows; for such sympthe great remedy for burns, rheumatism, and all intoms always show that bile or morbid matter exists flammatory complaints; Pond's Extract, a first rate thing for similar purposes as above Ointment; Anerwise disordered. Timely use of the Forest Wine and drews' Pain Destroying Agent, a good article; Wood-cock's Balsan and Bone Licenent; Atwood's Jaundice Bitters, Canker Drops, Liniment, and Dysentery strength and animation. The Forest Medicines, kept always at hand, to be taken whenever such symptoms are exhibited, will save your family almost entirely from sickness, as well as your doctor's bill, which frequently amounts

to more in a week, than sufficient of these medicines to keep your family in good health, for years.

LADIES, the Forest Wine is your medicine.— This pleasant, agreeable, yet effective medicine, exweakly, or nervous, or in general ill health, this Wine will do more to restore you than all other medicines. In all cases where bile exists, or the bowels constipated, the Forest Pilis also should be taken, according MARINER and TRAVELER, if you wish to guard our-olf against sickness and dangerous disease which may jeopardize your life, provide yourself with the Forest Wine, and Pills before cetting out on long voyages, that you may have them on hand when re-Forest Wine is in large square bottles, one dollar

per bottle, or six bottles for five dollars. Forest Pills, twenty-five cents per box. General depot, 64 Walker Street, New York; and kept by one or more General Depot, 64 Walker St. New York. Agents, in Montrose, Abel Turrell, in Great Bend, L. Scott, Ithica Mills. and all druggists. December 3d, 1856. TEMPERANCE SALOON AND
