The New York Herald, though hitherto a Free Trade paper, says :- "A judicious Bank. rupt Law, and a modification of the Tariff. including a more marked incidental protection to home manufactures than that of the law of '46, and its amendments, are among the relieving measures which will first suggest themselves to the political economist.--Surrounded by the iron manufactories of Pennsylvania, Mr. Buchanan, as the Represeniative in Congress of the peculiar interests manded when Mr. Buchanan was a member of the United States Senate, and with our numerous cotton factorics, North and South. threatened with bankruptcy, from the high price which the raw material commands in England, and from the low prices of English

giving up the ghost in all directions, our

quondam correspondent, "Richelieu," was consulted as a lawyer, by a bank officer, to suggest some way by which the bank could in the purpose of Mr. Buchanan's administration suggest some way by which the bank could hold over to the following day without confessing, as its sister institutions had done. The sing, as its sister institutions mut done, what it could not pay specie. "Put black crape on your doors," said Richelieu, " and post up a notice, "Closed in consequence of Death in the Family," -N. Y. Tribune.

The New York Times of Wednesday gives a list of 11,000 operatives who have been thrown out in that city by recent events .---The sad work is still in progress.

STEAM ON COMMON ROADS -A common road locomotive, built by Mr. Richard Dudgit scems to be controlled with as much ease, and with more certainty. The popular notion that horses would be alarmed by such vehicles, and that they cannot ascend hills on necount of their wheels slipping, is refuted by the performance of this engine, which has niet with no case of difficulty of this nature. although it has run for a considerable part of several days in crowded streets, followed by itself by keeping up a form of party so dangerous and crowds of noisy boys .- N. Y. Independent.

Lectures .- The following named persons will deliver lectures before the SUSQUEHANNA COUNTY NORMAL SCHOOL, 88 follows :

NORMAL School, as introves: N. A. CALKINS, Esq., Editor of the "Stu-dent and Schoolmate," New York City, Thursday erening, Oct. 22d. D. D. LUTTER Free Munitore Mandau and as to principles of public administration, to the school of politics illustrated by the genius o Mr. Jefferson; peace and justice in our foreign re-lations; the consolidation of our civilization at home, B. B. LITTLE, Esq., Montrose, Monday eve-

ning, Nov. 2d. B. S. BENTLEY, Esq., Montrose, Friday eve-

The public are respectfully invited to attend. The precise evening of HENRY WARD BEECHER'S lecture is not definitely known-

Notice to Teachers .- The School Directors of Gibson desire to employ twelve Teachers, to take charge of the schools in their township, to whom liberal saferies will be paid. The compensation will be graduated according to the qualifications of the ons employed.

All Teachers expecting to teach in Gibson School District must be licensed by the proper authoritythe County Superintendent:

JACOB L. GILLETT, President

### PROSPECTUS OF THE REPUBLIC,

Washington, D. C. GEORGE M. WESTON, EDITOR AND PROPRIETOR; DANIEL R. GOODLOE, ASSISTANT EDITOR.

sufficient time has elapsed since the inaugura-A supcient time has empered and of the hopes en-tion of Mr. Buchanan, to dispel the hopes en-tertained by many who did not support his election to the Presidency, that his administration of affairs sentative in congress of the peculiar interests of that State, was always, we believe, some-thing of a protectionist. But now, with the iron interest of the Union covering twenty times the capital and labor which it comwhich is without precedent, even in the administra tion of Mr. Pierce

In Kansas, it has given all its patronage, not mere-ly to a faction, detested by the people of that Terri-tory, but to the tory, but to the most of our proper of that ferri-some of whom have participated directly in scenes of violence and bloodshed; while it has concentrated England, and from the low prices of English England, and from the low prices of English cotton goods in off own markets, a little more incidental 'protection to our iton and cotton interests in the modification of our revenue laws, would undoubtedly afford a large margin of immediate relief to our man-ufacturing and working classes." In foreign affairs, it does not disguise its purpose to take immense sums from the Treasury, to be ex-pended in the purchase of new territories, while it threatens us with complications and wars fatal to

threatens us with complications and wars fatal to commerce, in the sole interest of an institution, deemed temporary and exceptional by the founders

clearly is to keep up the agitation of the slavery question, which was deliberately entered upon as a matter of political calculation in 1854, as the basis of a new party then formed to control the destinies of the country; that agitation to which Mr. Buchanan owes his own election, and to which those who sur-round him now look confidently for the perpetuation

ot their own power. There are large bodies of our countrymen, in all parts of the Union who deplore this organization of a sectional party at the South, bottomed upon the rer-olutionary proceedings of 1854, and still maintained by violant acts, appealing to sectional passions; who perceive that it ostracises the moderate and conserva-tive portion of the citizens of the slaveholding States road locontotive, built by Mr. Richard Dudg-eon, of Goerck street, has for several days been running in Grand street, Broadway and other thoroughfares, and has made a trip to Harlen, and back. It's speed is about equal to the average speed of horses in stages, and it seems to be controlled with as much ease, views of these portions of our countrymen may be re-flected. This newspaper will be styled The Repubic, and will endeavor to maintain a nationality and lic, and will endeavor to maintain a nationality and comprehensiveness of views worthy of its name. Esteeming as the most imminent and pressing na-tional danger the attempt to maintain a geographical party by pandering to the passions of the slavery propaganda, The Republic will resolutely oppose an administration which has determined to perpetuate itself by heaving up a form of neutre so dangerous and

An inflexible attachment to the Union; a rever-highest achievement of human wisdom; a general conformity as to doubtful constructions of the Con-staution and as to principles of nublic administration. the subscribers, under the firm of C. of Board School Directors, Gibson School District. SETH ABEL, Secretary. 'Gibson, Sept. 26, 1857. Notice to School Teachers and those Who Employ Them,

The Board of Directors of New Milford District are disposed to let the patrons of the several schools, re-spectively, within the District, select their own teachers, under the following regulations and restrictions: 1st. They wish to have those employed, who will consider it a *privilege* as well as their duty to attend Teachers Institutes and other means of improvement within their reach, at least once in two weeks without compulsion. 2d. All Teachers must be regularly licensed by

the County Superintendent before commencing their schools, or as soon thereafter us his arrangements with regard to public exeminations will allow. 2d. Monthly reports must be regulary made to the Single copy, of Secretary at the end of each month. If more conven-

ient, they may be left with Wm. C. Ward, Esq., School Treasurer. Any failure on the part of teachers to comply with the foregoing, will be sufficient reason to withhold

the public money. The Board wish the Schools to be in operation by the third Monday in November, if possible, so that the necessary books may be furnish ed at the commencement. By order of the Board. J. W. WALKER, Sec.

New Milford, Oct. 21, 1857.

DIED. In Liberty, on the 11th inst. of Consumption, Ra-CHEL ANN, daughter of William and Charlotta Stockholm, in the 22d year of her age. To me the sting of death is gone, The grave's divested of its gloom,

I wait it as some kind retreat. Where I may rest in balmy sleep.

A new stock of this modicine just received-a sovereign remedy for Cholera Infontum, Sum-mer Complaints, &c. BENTLEY & READ. July 8, 2857.

STOVES, STOVES, OUR stores have been so thoroughly tried, to the entire satisfaction of all, that they need no rec-commend from us. S. H. SAYRE & BROTHERS.

chine, I have used and sold them for the last six years, and know them to give entire satisfaction, far surpassing any other threshing machine ever ased in Northern Pennsylvania, with which I am acquaint-ed, either personally or by reputation. I can furnish a few of the Emery machines to those who may desire them, at something less than cost, and can refer you to those who have used threshing machines of different kinds. All machines sold by me I warrant, except the last

All machines sold by mc 1 warrant, except the Manufac-mentioned one. All are warranted by the Manufac-turers to me. Yeu will find it to your interest to give me a call before purchasing elsewhere. E. T. TIFFANY. Dimock, Susq. Co., Pa., June 17, 1857.-231

Elevoted Ovens, Large Oven, Premium, and Eval Cooking Stores, besides any quantity of Parlor Stores, for Wood or Coal, Office, Hotel and Box Stores.

We have the best Stove for burning onal, constructive on the diving the periodiple, ever made and at a very moderate price.

We would take this opportunity of reminding our friends who are solicited to purchase their stores of Hawkers and Pedlar, that a monants reflection will convince them that it is very poor economy to do so. It is a well established fact that the cost of selling Stoves by pedding them about the country, is not less than fitteen per cont, and generally as high as twenty, to say nothing a-bent bad devia, and cost of collections. Of course this estima store comes out of the pockets of the purchaser.

In consideration of the above facts, we offer our entire
