the Democratic party, was ground to powder by it. Mr. Buchanan was elected Pres-

ident by means of it, and a new four years' any age, or in any country. To the permanent ascendency of these men, however, it was essential, not merely that Kunsas should be opened to Slavery by the other. repeal of the Missouri Compromise, but that Slavery should actually be establi-hed there. After a three years' struggle, marked with all the passions and many of the overt acts of civil war, the contrary result is a fixed and immutable fact. The whole object for which a union of the South was successfully invoked, is lost, and under circumstances rendering inevitable the loss of much which was before

secured to the defeated party to this great controversy. In view of the actual results of the repeal of the Missouri Compromise, the men concerned in it will be called to a fearful account ure. by the South, and the accounting will be less and less agreeable, as these results develop themselves, If they had been anticipated six months ago, the Democratic victories of 1857 in the Southern States, would have been overwhelming defeats. The catastrophe has been postponed, but is as inevitable as the march

Upon what basis can this unity, witnessed but once in American history, during a pegied of more than two generations, be reconstructed. The acquisition of Kansas was an object, feasible in itself, favored by many circumstances, and of commanding and manition having been defeated, no possible object remains, upon which the desires, the hopes, and the interests of the South can be harmomously concentrated; and the Propaganda are driven to agitations, in reference to which they encounter at home divided and discordant opinions, or, finally, to downright disunion, against which we have a sure bulwark

It is not upon the basis of insane attempts the revival of the slave trade, most conspicuously advocated by a noisy Irishman who left his country for his country's good, that the strength of the South can be rallied to 💸 and spoilsmen.

sible one for a long period, from obstacles American desert. extrinsic to the politics of this country, Southerropinion is far from unanimous that the interest of Slavery has anything to gain by it and it runs counter to that feeling of jealousy, in respect to the power and influence (so called) American party, in that section, | work. will relish that enormous addition to the power of the Romish Hierarchy in our coun- has been committed to prison for three try, which would result from the annexation | months, for speaking disrespectfully of the

The Black Democratic managers will be driven, in short, to the open advocacy of that disunion, which their leading spirits have long cherished in their hearts. There is nothing else left for them. Their occupation, otherwise, is gone. The Republican party is well to the appropriation of all the territories of thousands. the Union to the exclusive use of free labor, the Republican party is now the party of conservatism and repose. The Black Democratic party, on the other hand, which originated in Slavery agitation, and which must of the agitators can find no other object of re everywhere being unmasked, or are unnasking themselves, and will soon be recogized of all men, as the traiterous contrivers discord and nullification.

NORMALSCHOOL Prof. J. F. STODDARD, Principal.

THE undersigned have the pleasure of announcing. I that the Susquehanna County Normal School, will again open in the Susquehanna Academy Buildings, at Montrose, on Monday, the 30th day of Nov., to continue 22 weeks, under the charge of Prof. Stoddard, and Competent Assistants.

To those who desire to attend school, this opportunity offers rare inducements.

Prof. STODDARD'S character as a thorough, practical Educator and Author—for discipline, scholarship, and superior methods of instruction—is already too well snown to require comment.

Those who design becoming teachers should not fail to avail themselves of the advantages here presented.

Prof. STODDARD will deliver, during the term, a course of lectures upon the Science and Art of Teaching, and Normal Science.

There will be an Experimental Department connected with the Normal School, to which 40 pupils only will be admitted. nly, will be admitted,
