make immediate payment.

JACOB L. GILLET, Administrater. Gibson, Feb. 10, 1858.-6w MEDICAL CARD.

IN tendering my professional services to the inhabitants of Susquelianna Count, I deem it my duty to state that in the medical treatment of diseases, I rely mainly upon Homoepathic remedies; firmly be lieving them to be the most efficacious remedia agents I can employ.

The following statistics taken from the records of Hospitals in Europe, show the marked superiority of the Homoepathic over the Allopathic method of dical practice:

INFLAMMATION OF THE LUNGS. PATIENTS ADMITTED, DIED. PERCENT Allon, Hospitals, 28 PLEURISY. PERITONETIS. 84 DYSENTERY. 37 3 22 FEVERS.

931 84 262 3062 CHOLERA. 1278 646 ALL DISEASES. Allop. Hospitals, 32,655 1,365 I might multiply these statistics to almost any extent; but I have already given enough to justify the

position I have assumed.

Persons residing at a distance who wish to consult me, can do so by letter, and receive a prompt reply. No charge for consultation. Office at the residence of Charles Dinon, E.q. J. H. THOMAS, M. D. Great Bend, Pa., Feb. 3, 1958.-3m
