A LMOST every farmin the County has on it more to be less awamp, now worth little or nothing, but which if planted in Cramberries would yield from 100 to 300 bushels per acre every year after the first. The Cranberries would always sell for \$3, or more per burhel. Now, farmers, put out at least a few square rods of vines this very May, at least enough to get a stock for future planting. And through the Summer prepare the ground for an acre or more to be planted in the fall or spring! Plant in rows one foot apart cach way. I am pregared to furnish 300,000 plants at \$4 per thousand. Carefully packed and forwarded to any address on receipt of the price.

Greenleaf Improved Water Wheel, e greatest improvement in that kind of machinery known. They e warmanted to do one third more business, with the same head digiantity of water, than the Rose Wheel, formy iron water whee nown to the subscriber. They are admirably adapted to either Grist Mills or Saw Mills,

in fact any place you choose to put them. For particulars and reflected, enquire of LORENZONANCE, Lawsville Contex, Sus-lehama County, Pa.
I would also ofter my services in the construction or repairs of the fierent kinds of MACHINERY, faction.

Feeling disposed to encourage improvements. I would make the fillowing offer: All those interested in Mills, may select the smartst and best running Mill that they can find, and I will bind myself y contract to insert, inseed of the kind now in the Mill, a GREENLEAF WHEEL,

thich will make one third better per centage than the Rose Wheel, Intter Wheel, or any other of the different species of reaction heels; twenty per cent better than the Centre Vent, and within venty per cent as well as the Overshot, in any place. In case, of a trial, I cannot fulfill any or all of the above, I will forfeit the hole lob and pay all actual damages. Let us hear from those in year of interovements. * Contes of our Circulars can be procured of the subscriber, or a he "Independent Republican" Office. Lorenzo Vance.
