Death of "Old Hannibal" the Elephant. The following we copy from the Cleveland Plaindealer :

· 25 · · · · ·

This old and justly distinguished Mephant died at Canfield on Monday. He was quite old-extremely so. We have heard his age stated variously at from five hundred to one thousand years. At times, Hannibal was McDonald, of Baltimore, for \$8,000. thousand years. And the standard have have Lord Macaulay has announced that rather wild. Domestic troubles may failts he will confine himself in future to his closet been the cause of this. We beneve and not of the as a historian, and take no further part in heart. He never used tobacco in any form, public life. heart. He never used to and in all his travels was, never forced to and in all his travels was, never forced to "spoul" his trunk for his hotel bills. What "spoul" his trunk for his hotel bills. What "spont" his trunk for his four as an as much? now published in Leavenworth city, to wit: other showman of any note can say as much? The Ledger, Journal, and Times. All of other showman of any note can say no in the Ledger, Journal, and Times. All of Still, the fact can't be disguised, that Han-them oppose the Lecompton Swindle, and Still, the fact can't be disguised, that dring the more oppose the Lecompton Swindle, and the last has indicated its position on the. Re-

his life. In Maine, years ago, he was one right shut up in a shed. In the morning he publican platform. was found three or four miles off, with the roof of the shed upon his back!

When conflected with June and Titus' cireus and menagerie he had a falling out with some of the performers, and one day whilst small coin into her box. they were making their grand entree in the ring, on their high mettled, and georgeouslycaparisoned horses, Hannibal burst his fascaparisones into the ring, and unborsed dy's Books as premiums to competitors in tenings, institution of them. After tossing them plain and fancy needle work. The idea is a every that a while he returned to his accus. good one, and worthy of imitation by other tomed place, and permitted his keeper to tie him ap again. Going from Boston to Salein, some years ago, he became enraged about acceptance of a lady. something or other, and made terrific work on the road-tearing down fences, tipping over wagons, and tossing men and horses

into the air. Traveling from one small town to anoth-Fone Sunday afternoon, in New Hampshire, stands the shadow of a chance of being elect Hannibal met a long line of carriages, filled ed in the district." The Republican is the with people going home from church. The old Democratic organ in Chester county, and man in the head carriage struck the elephant supports Mr. Hickman zealously and mana smart blow with the whip as he passed.— fully. Hannibal immediately unloaded the entire

line of carriages. No one was seriously in- er made in this or perhaps any other county ured. One night as his keeper was driving commences in Michigan on the 29th of July. him through a strip of woods in Vermont, a They are technically denominated "swamp violent thunder storm arose. A tree was struck by lightning, and one of the shattered branches struck the keeper and killed him instantly. All night long the elephant watched the dead man closely and tenderly, even as a mother would watch the corpse of her schild, and never from that moment left him until buried. Hannibal meant well. We don't hear what ailed him-probably it was old age. We understand that he cost his last owners, Van Amburg & Co., \$14,000. "Peace to his ashes."

AN ELOPEMENT OF A MINISTER WITH never seen afterwards. YOUNG LADY NIPPED'IN THE BUD .- An unusual excitement existed in Delhi, N. Y., recently. in regard to the anticipated elopement and marriage of the youngest daughter of Mr. last fifteen months. John Blanchard, (Sarah,) with Elder S. B. Hayward. The facts of the case are as fol-
