

Know then, all woman-kind, that I, When stretched out straight, am six feet high ; Whence from plain reasoning it appears, I'm one of Nature's grenadiers, Yet—I do whisper this between us— Serve only in the wars of Venus. I'm fair, and one good sign, observe, is I have red hair,-Ma'am, at your service. Of wit I brag not, yet have brains Enough to walk in-when it rains I know the odds 'twixt cheese and chalk, To tell a handsaw from a hawk; To cane a man, should he abuse me, And hang myself if you refuse me.

Stick to Your Business.

"Gentlemen, we are about to separate-you to enter the arena of a hard profession; a large part of you may never see again, and you will pardon me for the freedom of speech I have used in giving you my parting advice. Allow me to sum up the whole matter in a few short words which have passed into a maxim. Short, it is true, but of vast import. CODFISH Stick to your business. Let come what may, be true to your profession and stick to it-BOOKS, CARPETING, let no consideration whatever divert you from it-give to it all the energy of your natures." Thankful for past favors we respectfully invite our These were the partig words of Prof. Sewell, now dead, of Washington, D. C., to a graduating class of medical students, in the that this is the place to buy cheap for each down. spring of 1842. He went further on to say, that if any of the class present had any doubt in regard to their future success in business. Montrose, June 2, 1838. if they would follow the maxim to the best of their ability for ten years, and did not succeed equal to their expectations, if they would FOR CASH! come to him, or acquaint him of the fact, he would set them up in business with a competent income. About one-half of that class the writer of this has kept the run of, and they have no occasion to avail themselves of the **NEW GOODS**. doctor's offer, even if he were living. Thus 10 yards good Delaine for it is in every department of life. I have yet 10 "Merrimac I to learn that one occupation of life is more 17 honorable than another; it is the man who honors the business, and not the business the 12 Pounds good Sugar man. At the present day, there is a great need of the applicatin of our text, stick to 16 your business, and if in connection with this. John Randolph's motio be put in force—pay as you go; success is morally certain—failure 3 Gallons Molasses &c. at equally low Prices.

would be impossible. It is said a "rolling stone gathers no moss," and if the setting hen does not grow fat, she does not wear herself out in fruitless changes. So young man, farmer it may be STICS, TO THE FARM, work on, do not be allured from it by the fine stories which come to every one' ears, about the West, California, and particularly of city life. Pay no attention to what that nice young cousin of yours has been

pouring into your ears. He has only returned to the old farm to rusticate a few weeks; so he says. If he would only tell you the whole truth, you can well afford to let him "spread himself" during that time; but 1 "spread himself" during that time; but I am fearful be will not initiate you into the tokole of his city life. There is probably no other huminers there have been and quantity,

There is probably no other business where the same amount of capital is invested and tact required, so free from anxiety and care

as that of farming, and by general consent. none that pays better in the long run ; there may be exceptions of course. No matter what one's business may be, if he sticks to it, success is almost certain, but if there is a rule without an exception, this is one. It is rélated that a certain person undértook to insult Billy Gray by telling him that he. re. membered when he was only a drummer. "Ah! yes," said Billy, "but didn't I drum

well ?" 20.000 lbs. of WOOL wanted, for which we will pay the HIGHEST CASH PRICE. HAYDEN BROTHERS. Billy stuck to it and succeeded. So will you, farmer, mechanic, boot-black, merchant,

factory girl, et omnia, only stick-stick to it -that's all.-New England Farmer.
