Gen. Winfield Scott, who is now stopping at West Point, met with a severe accident last week, which may confine him to Bs bed for some time. He was about attending a dinner party given by Col. Delafield, when, on going down the stairs, his foot sliphed and he fell to the bettom. Owing to the bullet in his shoulder and the sword wound in his arm, he was unable to arrest his descent, and the fall was severe. To a person of his advanced years and large frame, this is a most serious affair. The General was taken to his bed, cupped and leeched;
