To the Public! SOME Merchants publish a few low prices, or the prices of a few low priced articles, as an inducement to persons to make their purchases of them under the presumption that every thing is equally low. Without occupying space in the public papers to enumerate prices: I wish it distinctly understood, that I will sell GOODS as low for the quality, as they can be bought in any other Store in this place or County. Baits and Hooks not used. Purchasers will generally find good qualities of articles at

TURRELL'S, and in Drugs, Medicines, Paints, Oils, and Dye Stuffs, the very best, and the assortments full. The FANCY GOODS DEPARTMENT is also extensive. Also, choice Family Groceries, Crockery, Wall Paper, Jevelrg, Perfumery, &c., &c.

In short, nearly every thing usually kept in country stores. As I deal in many departments of trade, and have more articles than I can well enumerate in the limits of a Newspaper, I shall not attempt it; neither will it be necessary, under these circumstances, to fill a column with useless repetitions and blanks.— The people are invited to call and examine for them Montrose, Nov. 10, 1858.
