Montrose, Nov. 3, 1858.

THE MONTROSE HARDWARE CUTLERY.

General Finding Store

IS NOW FURNISHED WITH from ocean to ocean by the transit route ;and also a tax upon the mail of the United States transported over the Panama railroad. The government of New Granada has been informed, that the United Stares would consider the collection of either of those taxes, as an act in violation of the treaty between the two countries, and as such would be resisted by the United States. At the same time, we are prepared to discuss these questions in a spirit of amity and justice, and with a sincere desire to adjust than in a sat-isfactory manner. A negotiation for that purpose has already been commenced. No effort has recently been made to collect these taxes, nor is any anticipated under present

circumstances. With the empire of Brazil our relations are of the most friendly character. The productions of the two countries, and especially those of an agricultural nature, are such as to invite extensive mutual exchanges. A large quantity of American flour is consumed in Brazil; whilst more than treble the amount in value of Brazilian coffee is consumed in the United States been Whilst consumed in the United States been Whilst the Consumer of the United States been while the consumer of the United States and the Consumer of the until very recently, upon the importation of American flour into Brazil. I am gratified, nowever, to be able to inform you that in September last this has been reduced from \$1.32 to about 49 cents per barrel, and the duties on other articles of our production have been diminished in nearly the same

I regret to state that the government of Brazil still continues to levy an export duty pf about 11 per cent, on coffee, not withstand-

ing this article is admitted free from eather W. B. Styresn lies worked forms for some time, and I can recommend him as a careful and skillful workman, computent to do as good work as can be unto in the country, and worthy of confidence. Towards, June 10, 1835.
