All who would teach during the coming Summer, will at once see the necessity of attending the public examinations, when they understand that immediately upon their close I shall be engaged in visiting shools in different parts of the County and consequently unable to attend to any more examinations, not being able to visit my post-office even oftener than once in from two to four weeks.

All should be present at the appointed hour. None admitted to the class after the examination commences. B. F. TEWKSBURY, *Co. Supt.*

Dr. Wistar's Balsam of Wild Cherry.

—Where the above preparation is known, it is so well established as an infallible Remedy for the cure of COUGHS, COLDS, SORE THROAT, HOARSENESS, BRONCHITIS, SPITTING OF BLOOD, PAIN IN THE BREAST, CROUP, WHOOPING COUGH, and every form of PULMONARY COMPLAINT, that it were a work of supererogation to speak of its merits.

Discovered by a well known physician more than twenty years since, it has by the wonderful cures it has effected been constantly appreciating in public favor, until its use and its reputation are alike universal; and it is now known and cherished by all (and their name is legion) who have been restored to health by its use as the GREAT REMEDY for all the diseases which it professes to cure.

Sir James Clark, physician to Queen Victoria, has given it as his opinion that CONSUMPTION CAN BE CURED!

The whole history of this Medicine fully confirms the opinion of that eminent man. The records can testify, and have testified, that when all other remedies had failed, this has completely cured: that when the sufferer had well nigh despaired, this has afforded himself relief: that when the thraldom had pronounced the disease incurable, this has removed it entirely.

The virtues of this BALSAM are alike applicable to cure a slight Cold or a Confirmed Consumption, and its power as a safe, certain, speedy, pleasant, and effectual remedy cannot be equalled.

☞ Purchasers! Purchase none unless it has the written signature of "I. BUTTS" on the wrapper, as well as the printed name of the proprietors.

Dr. Wistar's Balsam of Wild Cherry.

The immense sale of this preparation is the best proof of the satisfaction it which it is held by the public.

For the cure of Coughs, Colds, Whooping Cough, Croup, Bronchial and Pulmonary Affections, and all diseases of the Throat and Lungs, including Consumption, its efficacy, is astonishing and its value inestimable. The only genuine has the written signature of "I. BUTTS" as well as the printed name of the Proprietor on the outer wrapper.
