Harford University.

A good Chemical and Philosophical Apparatus, with a Skeleton and Maps of the Human Frame, afford a a Skeleton and Maps of the Human Frame, allord a good opportunity for studying those branches profit-ality. Each room is furnished with a store, table, and bedsiend. It is expected that our County Sa-perintendent will give some Lectures during the next Term, and render other assistance, if necessary, to those who are preparing to teach in the County. The Literary Societies have been collecting in their the literary Societies have been collecting in their the interary concers have been concerning in their books, which, with some additions made the past year to their Libraries, numish valuable reading for

isure time. The Institution, removed as it is from many of the. inclination in the induced as it is from many of the inducements to waste time which surround many other institutions, affords means for improvement well adapted to a region of country, where the great mayority of the inhabitants are trained to industrious builts. Harford, Susq. Co., July 27, 1859.-8w.

Beautiful as it is Wonderful !

Bedutiful do it is without i T is now no ionger necessary that one should leave this own threside, with his family around him to share the pleasure, he can bring before him, in all the star-ling realities of life, the most rehowned cities, pletur-esque ruins, lakes, and leaping waterfalls, snow-clad mointains with their wild ravines, the remains of an-cient grandcur, and the beauties of more modern ar-chitecture. The spreading landscape, the cattle that graze the hillsides, fruit,flowers, anything, cerrything, are before you as the bring—the real-instead of the picture. Well may we be proud of the times in which we like this. uph like this
