the love of chose who gave it. REPLY OF FOREWAN E C FORDHAM.

Mr. Fordham spoke some what as follows :

Raponacional Item.—The greatest discovery of the age is the new scopjust come out, and known as the J. Monroe Taylor Gold Medal S ap; it not Only save stime in washing, but does the work in a much superior manner to all other s ap before the people. The makers claim it is manual started on an entirely different picture and that it is a great is bereasting article, heald a going much farther than any other soup. Our exartime condras all the in ventor claims for it. Thy it, and we think all will be convinced of the fact, and will ever have the Gold Medal or none.
