Building Stone Fences. A New Hampshire correspondent of the Cosmos writes as follows on this subject.

"The foundation stone, and in a few years the fence is fastened to the soil by the stones being crowded out of place, and in a few years the fence is fastened to the soil by the stones being crowded out of place, and in a few years the fence is fastened to the soil by the stones being crowded out of place."

"The foundation stone, and in a few years the fence is fastened to the soil by the stones being crowded out of place, and in a few years the fence is fastened to the soil by the stones being crowded out of place."
