The Montrose Democrat.

VOLUME VI.

MONTROSE, PA. THURSDAY, AUGUST 30, 1819.

NUMBER 35.

There is a work how vast the sound
To those who have not seen it...
And how the soul it has profaned...

There is a man who walks like a
Long he walks, he walks with a
When tried and worn, to show what...

There is a place on earth, north-west
Than south we can compare...
There I thought life would find retreat...

There is a man who walks like a
Long he walks, he walks with a
When tried and worn, to show what...

usually estimated by the mass. Loring was
bowed slightly as he passed, and in
every square was met in company by a

The intimate friendship that had existed
between Loring and Benedict did not
change when they were both in

At nineteen, Elias Loring had college and
went into a store to be educated by a
merchant. At the same time a schoolmate...

Equal as to external advantages, the two
young men started in the world. Neither
was able to give their children a good education...

from one end of our country to the other
as a distinguished scholar and man of science
His articles in the Quarterly Review, and

He took the great work of Loring, Mr. Loring
had not time to read it. He had not time

It was in the year 1812, when Loring was
a member of the Palaeological Society here,
continued the minister, "and his communications,

The exceeding smallness of the
foundation upon which he had built a
tower of words, was brought

the dinner was to take place, regretting
his inability to make one of his guests, on
his return home. But now, and he

By little and by little, since the day
the steamer left New York, the man of money
had felt an increasing rest upon the

The severest conflict between public
necessity that of which ended in a
termination to call upon Mr. Benedict...

In the interview that followed this
meeting, no allusion was made to the
voyage across the Atlantic by either party.

what they consider a day? He could not
say, but supposed they worked by the hour,
and 12 hours would be considered a day's

Birds and animals take their accustomed
rest at the usual hours. The doctor did
not know how they learn the time, but they

California Convention.
The California Convention of July 23, 1850,
was called to order by the Hon. George
