

FOR CANAL COMMISSIONER.

WILLIAM T. MORRISON,

OF MONTGOMERY COUNTY.

FOR SUPPLIES GENERAL.

WILLIAM T. MORRISON,

OF MONTGOMERY COUNTY.

FOR DISTRICT GENERAL.

J. PORTER BRAVLEY,

OF HARRISBURG COUNTY.

Election Tuesday, October 8, 1860.

Gov. Johnston and Smith Nominations.

(Extract from the Annual Meeting of 24th Jan., '62.)

It is, indeed, to be regretted that the creation

of the "organ" has not been presented, as we have

expressed by the members of the committee

of this organization. The amount in circulation

within the state, supplied by institutions

of the kind, is not less than five millions of dollars,

and is valuable, except in location

near the banks by which it is issued.

To the extent of the circulation, it is not

known to the citizens, and it passes from hand

to hand, and it is not possible to have

the representative of a class or of a party

ever, we think our views can have no control.

Scientific Lectures and Experiments.

Mrs. Davidson & Lerner purpose giving a

Lecture and Experiments on the interesting

science of Electricity on Thursday evening

at the Court House, in this Village, on

Friday evening next, during which they will

explain and demonstrate the operation of the

Electromagnetic Machine, cause it to make 10,000

revolutions, and magnetized and de-magnetized

30,000 times, per minute; exhibit a machine that

will run on all things of metal, and will cause

the entire in the Union, simultaneously; exhibit

and explain one of Call's Submarine Batteries,

of sufficient size to blow up the largest vessel in the

world; also the Alcohol Blow Pipe for spinning

and blowing glass; also Morse's magnetic, Howe's

printing, and Bain's copying Telegraphs, and various

other interesting experiments. Admission free.

Among other things, a never failed will be placed

in a dish of water, and the money given to any

person who will pick it out. Ten thousand Electric

checks will be given to any person in a minute,

if desired, without the slightest injury. Persons

attending the Exhibition can be Electrized for any

sum of money. A Railroad Engine will be

shown in operation, and will be run on a track

The New Road Law.

A more melancholy instance of the

instability of Mr. Clay's character, and

at the same time, of the stretch and

tenacity of his inordinate ambition is

exhibited in his present attitude

upon the question now pending in

the Senate. At the opening of the

present session a number of bills were

introduced by Mr. Clay, in relation to

California and the territories. The
