ry sing is in righting containing, and God knows when it will end." Sitce Cattring wasses.—A rather seri-ous joke occurred lately in Lowell, Ill, growing out of an attempt at the foolism and importunent practice of evernaling new-ly-matricel complex with a horrible discord of all sorts of noises. A party of rowdise had collected near the randferes of the ound in n question, firing gune and pisels, and giving utteranous to every bideous sound when they were surplised by a good-human-ed invitation to partake of wedding only a which was handed roand. They ate bear-tily uncounscious that it contigined powerful latar emetic and the result was that the music of alreep and cowhells was goon changed for a tune of decidedly a different nature. We hope all future Calthampians will be treated in the same style.

nature. We hope all fature Calithampians will be tracted in the same style. PENNEYLYARIA AND THE CARTHER.—IN is a source of general complaint among the Widge of Penneylydnia, as will as a portion of the Democracy, that the Krystone State is without a representation in the Cabisat of Mr. Fillmore. We regard Penneylyania as peculiarly happy in this respect. There is not even a Whig within her limits, who deserves to be placed in official justaposi-tion with Corwin. The Krystone suffered upit concept hy its representation in Gen. Taylor's Cabinet, and we cannot bet thank Mr. Fillmore for sparing us any ferther degradation.—*Times* in savesity we frend of this bill, who has not affered an anondmism to bolies the inefficiency of the bill to attain the object at which is there is no paparent abatement of the son-viton, on the part of its authors, of the son placet simple. The compromise. Were complete triample to the compromise.
