

THE FARMER'S COLUMN.

How to raise the bushels of Corn... A correspondent of the Michigan Farmer says—Through the medium of your valuable monthly visitor, I will give the method by which I raised one hundred and fifteen bushels of corn on one acre of ground.

Woods Men—Agriculture... Whatever may be your choice of future occupation, whether calling or profession, you should select that which is most honorable or enviable than that of a farmer.

Save Good Seeds... There is nothing so common as the farmer's success depends more than in having good seeds; and there is no branch in which he may make improvement at so cheap a rate.

How Jack took the Ass... During the recent session of the Legislature, it became necessary for one of the Detroit Bucks to receive a little "legislative aid."

UROCOPHA... Dr. J. B. Crain, German Physician, takes this month of his valuable medicine and the public to prove that he has discovered the cause of all the diseases of the human system, and that he has discovered the means of curing them.
