Can nothing more be done for the noble dead, seemed to quiver on every lin? Alas! the answer came-ull that can be has been done for him.

But a bright thought all at once scemed to possess and relieve the public mind.— Mr. Terry has left a widow and four beautiful children. Let Lynchburg rear and educate those levely orphans, and try to make them happy. With electric rapidity the gracious thought spread through the town, giving joy and gladness to the countenances of men, and now making them feel happy in the prospect of doing good. In eight hours from that moment as many thousand dollars in cash were raised for this noble purpose-and other certain contributions promised-enabling us to state the gratifying fact that the citizens of Lynchburg will immediately invest the sum of ten thousand dollars as a permanent fund to rear and educate these dear children in a manner commensurate with their worth and the fond hopes and aspirations of their noble father."

POPULARITY OF WHIGGERY .- There are, (says the Providence Post.)thirty-one States in the American Union, and in all these the "Universal whig party" has got just four Governors. Just one of these is located in New England, and is captain general and commander-in-chief of the province of Vermont. Really this is a very obscure place-condition we meanfor whiggery to start from, and especially in the contest for the election of a chief, to represent twenty or thirty millions of people. The old party will have to stir its stumps the coming year, or it will hardly have men enough to erect a "platform" in 1852. As there is much in odd numbers, have men enough to erect a "platform" in Came into the inclosure of the subscriber, on Satur-1852. As there is much in odd numbers, sams in both right feet. The owner is requested to prove will not some of the States, out south or property, pay charges and take it every west, be generous enough to loan the whigs
