SALMAGUNDI

Taking the Census. AN ELDERLY LADY CAUGHT .- The ta king of the last census has given us a score of capital stories, but until yesterday w do not recollect having stumbled upon the To the People of Pennsylvania: following. We pick it up as an estray, go-

ing the rounds without credit : house on Western Row-the exact location of which is no business of ours. He was received at the door by a stiff, well dressed ne a widow of some years standing. On care own for a creditable exhibition of their skill Business Gards, 4 lines or less, 3 00 learning the mission of her visitor, the lady invited him to sit in the hall. Having arrow or manufactured upon the face of the earth, One column, one year, 30 00 readers, 5 months, 6 months, 2 00 learning the mission of her visitor, the lady and industry. There is nothing raised, grown invited him to sit in the hall. Having arrow or manufactured upon the face of the earth, One column, one year, 30 00 learning the mission of her visitor, the lady invited him to sit in the hall. ranged bimself into a working position, he which is not more or less interesting in the

tamily of the lady. myself.

Very well-your age, madam? ing, dignified look; 'I conceive it's none of your business, what my age might be-you are inquisitive, sir.

*The law compels me, madam, to take the age of every person in the ward; it is my duty to make the inquiry.'

between thirty and forty.'

I presume that means thirty-five? No, sir, it means no such thing; I am only thirty-three years of ago!' Very well, madam, putting down the figures, just as you say. Now for the ages of the children, commencing with the

youngest one, if you please.' "Josephine, my youngest, is ten years of .Josephine-pretty name-ten.

'Minerva was twelve last week.'

Minerva-captivating-twelve.' 'Cleopatra Elvira hast just turned fif-Cleopatra Elvira-charming-fifteen.

Angelina is eighteen, sir-just eigh- Angelina—favorite name—eighteen." My eldest and only married daughter,

sir, Anna Sophia, is a little over twenty *Twenty-five did you say, madam?"

Yes, sir. Is there anything remarka ble in her being of that age?' Well, no, I can't say that there is - but is it not remarkable that you should be lier mother when you were only eight years

of age? About that time the census taker was obsered sailing out of the house, closely oughly ripened wheat for seed, (ten years) that pursued by a broomstick. It was the last he has had no smut. time he pressed a lady to give her age.
