WYOMING SEMINARY.

Kingston, Luzerne county, Pa.

THIS Institution has one of the most desirable locations in Northern Pennsylvania. Kingston is a quiet, pleasant and salubrious village, one mile West of Wilkesbarre, and accessible by daily stages from all parts of the country. The school has now been in operation seven years, during which its patronage has been liberal and constantly increasing.

Through the munificence of Wm. Sweetland, Esq., an additional Seminary building 40 by 40 feet, and three stories high, has just been completed, and by the liberality of Hon. Zibe Bennett, the school is now furnished with a valuable and extensive library, entirely new. The Chemical, Philosophical and Astronomical apparatus of the Institution is regarded, by all who have knowledge of it, as of a high order, and ample for full experiments in Natural Science.

The Board of Instruction for the ensuing year is as follows:

Rev. Reuben Nelson, A. M.,
PRINCIPAL.
Rev. Young C. Smith, A. M.,
Teacher of Ancient Languages.
Philip T. Myers, A. B.,
Teacher of Mathematics.
Rev. C. H. Harvey,
Teacher of Natural Science.
James W. Westlake,
Assistant Pupil.
Miss Mary Dietz,
Preceptress, and Teacher of Modern Languages
Miss Esther Patrick,
Assistant Teacher of Modern Languages.
Mrs. Jane S. Nelson,
Teacher of Drawing and Painting.
Mrs. S. A. Gregory,
Teacher of Music.

All of the above teachers are employed in the school the whole of each day except the Teacher of Drawing and Mr. Westlake. The former devotes such a portion of each day as her class as may be necessary, and the latter teaches one half of each day. The public will perceive that by this arrangement the school is under the supervision and instruction of a very full board of teachers, and the Trustees confidently believe that no pains will be spared to promote the most thorough improvement of all the pupils.

The necessary expenses of this Institution are moderate. Tuition exclusive of ornamental branches, from $3 to $5,50 per quarter. Board $1,50 per week, washing 37½ per dozen, and fuel $2,50 per annum.

The discipline of the institution combines mildness with firmness, inculcating sound, moral and religious principles, persevering industry, strict order and correct deportment.

The present term of this school will continue till the 23d of Dec. next. Students are admitted at any time, but the most suitable time for entering is the beginning or the middle of each term. Those who may wish to attend the school through the remainder of the Fall and throughout the Winter, would do well to enter as soon as the 20th or 23d inst. There will be a vacation of two weeks at the close of the present term. The next term consists of thirteen weeks commencing January 7th closing April 9th 1852.

Catalogues of the seminary and any information relative to it can be had by addressing the Principal, or either of the undersigned. D. A. SHEPARD, Pres.
