Here comes winter, here comes winter, Withering every hill and dale; Pay the Printer, pay the Printer, Sand your money by the mail.

Pay the Printer, pay the Printer, All remember his just due; In cold winter, in cold winter, He wants cash as well as you.

Merry winter, merry winter,
It will be, if all do right;
Pay the Printer, pay the Printer,
Do the thing that is polite.

Happy winter, happy winter,'
Hark the jingling of the bolls;
To the Printer, to the Printer,
What sad tales its music tells!

Ah! poor Printer!-Ah! poor Printer! Your subscriber's frolic all. In the winter, in the winter,

But ne'er think of you at all !

Mr. Kiez.—Dear sir:—I take great pleasure in certifying to the virtues of your great natural medicine called the Petroleum or Rock Oil, which is certainly a great medicine. I bought one dozen of your agent when he was along here last fall, I tested I tin a number of cases, and found it to prove good. I also tested it in a case of tetter and found it very beneficial. I would like very much to have another box of it, for I don't like to be withoutt.

WYOMING SEMINARY. Kingston, Luzerne county, Pa. Kingston, Luzerne county, Pa.

This institution has one of the most desirable locations in Northern Pennsylvania. Ringston is a quiet, leavant and salubrious village, one mile West of Wilkerbarre, and accessible by daily stages from all parts of the country. The school has now been in operation zeven years, during which its patronage has been liberal and constantly increasing.

Through the munificence of Wm. Swetland, Eeq., an additional Seminary building 40 by 49 feet, and three stories high, has just heen completed, and by the libersility of fion. Ziba Bennett, the school is now furnished with a veluable and extensive library, cultively new. The Chemical, Philosophical and Astronomical Apparatus of the Institution's regarded, by all who have knowledge of it, as of a high order, and ample for full experiments in Natural Science

The Board of Instruction for the ensuing year is as follows:
