Ayers Cherry Pictoral,

FOR THE CURE OF COUGHS, AND COLDS. MA AND WHOOPING COUGH, CROUP AND CONSUMPTION:

In offering to the community this justly celebrated femedy for diseases of the throat and lung, it is not our wish to trifle with the lives or health of the afflicted, but frankly te lay before them the opinion of distinguished men and some of the evidences of its success, from which they can judge for themselves. We sincerely plidge curselves to make no will assertions or false statements of its efficacy, nor will we hold out any kope to suffering humanity which facts will not warrant.

Many proofs are here given, and we solicit an inqui-ry from the public into all we publish, feeling assured that they will find them perfectly reliable, and tho medicine worthy their best confidence and patronage. From the distinguished Professor of Chemistry and Materia Medica. Bowdoin College.

Dear Sir: I delayed answering the receipt of your preparation until I had an opportunity of witnessing its effects in my own family, or in the families of my felends. friends.
This I have now done with a high degree of satisfaction in cases of both adults and children.
I have found it, as its ingredients show, a powerful remedy for colds, and palmonary diseases.
