MONTROSE, JULY 15, 1852.

Providence Prospers Honesty. A BEAUTIFUL STORY.

BY MRS. ST SINON.

A poor boy, about ten years of age, entered was no dear friend left to Gottleb in the world the warehouse of the rich merchant. Samuel except his benefactor. Out of love for him, Richter, in Daatzic, and asked the book-keeper he became an active, zealous merchant. He for alms. 'You will get nothing here,' grun-began by applying the superfluity of his allow-blad the man withoutraising his head from his ance, which he could now dispose of at his Hotel, why he happy to wait upon book : "he off." pleasure, to a trade in Hamburg quills. When

Weeping bitterly, the boy glided towards by care and prudence, he had gained over a the door, at the moment that Herr Richter en- hundred dollars, it happened that he found in the door, at the moment that Herr Richter en-hundred dollars, it happened that he found in his native village a considerable quantity of What is the matter here? he asked, turning hemp and flax, which was very good ; and still to be had at a reasonable price. He asked his o the book keeper. wred.

to the book-keeper. ***A worthless beggar boy,' was the man's an- foster father to advance him two hundred dolawer, and he scarcely looked up from his lars which the latter did with great readiness. work.

And the buisness prospered so well that in the In the meantime Herr Richter glanced to- third year of his clerkship, Gottleib had already wards the boy, and remarked that, when close nequired the sum of five hundred dollars to the door, ho picked up something from the Without giving up his trade in flax, he now ground: "Ha Imy little lad, what is that you trafficked also in linen goods, and the two picked up?" he cried. The weeping boy turn- combined, made him in a couple of years ed and showed him a needle. about a thousand dollars richer.

"And what will you do with it?" asked the This happened during the customary five o:her. years of clerkship. At the end of this period,

'My jacket has holes in it ?' was the answer 'I will sew up the big ones." -Herr Richter was pleased with this reply and still more with the boy's innocent, handsome face. 'But are you not ashamed,'he said terwards he was taken by Herr Richter as a in a kind, though serious tone, you, so young

and hearty, to beg ! Can you not work ? "Ah, my dear sir,' replied the boy, 'I do not know how, and I am too little yet to thresh or fell wood. My father died three weeks ago,

and my mother and my little brothers have etch of sickness, and kept him for two years connothing these two days. Then I ran out in anguish, and begged alms. But alas ! a single could suggest, Gottleib now did repay his benpressant only gave me a piece of bread; since shen I have not eaten a morsel."

he became the soul of the whole business; and It is quite customary for beggars iby trade still he watched long nights at the old man's to contrive tales like this, and this hardens bedside with his grieving wife, until, in the many a heart against the claims of genuine sixty-fifth year of his age, Herr Richter closed want. But this time the merchant trusted the his life in death. bay's honest face. He thrust his hand into his packet, and drew forth a piece of money ; and said :

'There is a half a dollar ; go to the baker's and with half the money buy bread for your-They understood him; they loved each other self, your mother; and your brothers, but and in silence, yet affectionately and earnestly bring back the other half to me."

The boy took the money, and ran joyfully SWAV. 'Well,' said the surly book keeper, he will

ter's death, the house of Gottleib Bern, late Luigh in his sleeves, and never come back a Samuel Richter, was one of the most respectagnin.' ble, in ali Dantzic. He owned three large ships

"Who knows ? replied Herr Richter. And as he spoke he beheld the boy returning, running with a large loaf of black bread in one hand and some money in the other. thy owner; for worthy he remained in his pros-

'There, good sir ? he cried, almost breathless, perity. He honored his mother in law like a there is the rest of the money.' Then, being son, and cherished her declining years with very hungry, he begged a knife, to cut off a the tenderest affection, until, in her two and viece of the bread. The book keeper reached seventieth year, she died in his arms. him in silence a pocket knife.

The lad cut off a slice in great haste, and was about to bite upon it. But suddenly he bethought himself, laid the bread aside, and folding his hands, rehearsed a silent prayer. Then he fell to his meal with a hearty appetite.

The merchant was moved by the boy's unaf fected piety. He inquired after his family the family. and home, and learned from his simple parrat. tive that his father had lived in a village, about four miles distant from Dentzic, where he own ed a smallhouse and farm. But his house
