### The Fishery Troubles. Anxier Vessel Seized Vessels of War Order-

ed to the ground. Boston, July 31, 1842. The fishing schooner Northern Light, arti-d at Booth Bay, Maine, from the Bay of St. mount being boarded by a British Iswrence, reports using coarded by a British interpolation and requested not to fish within three interpolation and headland to headland—and marked out in their research les of the marked out in their presence. schooner Wave, arrived at Gloucester, The schooler Monday last, while lying at ports that, on biological last, white lying at suchor near estimated in company with the lishing schooner Helen Maria, of Gloucester, a h cutter boarded them, and, on finding fresh bait on board the Helen Maria, some fresh part took her into Pubrico. The seized her, and took her into Pubrico. The cew of the ricieu starta attege that they were not fishing and had no intentention of ovading not fishing. They had put in for supplies. The intelligence has caused considerable excite-intelligence intelligence the Gloucester fishermen.

SALING OF THE U. S. SCHOONER MISSISSIPPI. At about 10 o'clock yesterday morning, the At about 10 oct Mississippi got under weigh, the work of preparation as the steamer was the work of preparation. There seemed to put in sea going condition. band was mustered of officers, in full uniform, were en standing in formal position. At length seen standing in formal position. At length seen standing in formal position. At length buried in the grounds attached to our court but was seen approaching round the Batter buried in the grounds attached to our court from the East river. She was fully manned, house. Sheriff Moray performed his duty well. and bore the Commodore's flag. The spectators on shore now expected that the activity on ters on saute now expected to saluting the Commo-hard was precedent to saluting the Commo-dore's flag. No salute, however, was fired. dere's flag. No salute, nowever, was incuthe best carrying the flag went along side,

that their teckles and soon hoisted up. minutes at their tackles, and soon hoisted up.
The position of the men on the quarter deck was now speedily changed. The band did not play; but instead of music, the smoke pipe ininted that the engineers were firing up. The Commodore's flag was run up at the main, and sently it was seen that the good ship was in motion. At a quarter state of the state o non suc und many more queries of like import opat by the speciators on the Battery. "Och," said one belligerent son of the Emerald sle, the black beauty, that she is, she's going John Ball, that's to be on the fishing banks, wards Island. is, of course, received the approbation of the ted over the way to drink—an invitation which was accepted instanter.

was accepted mistanter.

The clipper ship Raven went down the bay just ahead of the Mississippi, and the steamship Humbolt followed close in her wake.— The hav was covered with craft of all descriptions: and to add life to the whole, a sloop race was to come off in the neighborhood of Staten Island. It was, taken all in all, quite a lively morning in the harbor.

Pertsmouth, Va., July 30, 1852. The greatest animation exists in every de-partment of the Gosport Navy Yard, owing to go on. nders having been received to fit out, with all despatch, the firigates Columbia and Savannah, despatch the uniques contained and Savandaria Democratic County Convention. reported to be ready for service in thirty They are now masting her, and before safely enclosed in the mail bug, they as is sairly enclosed in the Link org, ency fill all be in their respective positions. To-morrow the yard steamer Engineer, Mas-Bare, and several Senators, including a of June last. On motion it was number of the fair sex, to the Navy Yard. 1 also informed that General Scott was invi-

THE WONDERS OF ART! (THE NECESSITY OF COING TO Binghamton

OBVIATED!) What bath magic power to trace Beauty's lovely form and grace, Or the plainest, homeliest face? Daguerreotype !

Or the honry hairs of age? What attracts the lover's eye, Calling forth a tell-tale sigh, Though the loved one be not night

What can infant smiles engage-

What gives comfort to the heart When our dearest friends depart? Tis this wonder-working art

This a hallowed feeling lends, And for absence makes amends,.

When we hold some cherished friend's

Daguerrentype.

Then why need you longer stay? Come! there's danger in delay; Have your pictures drawn to day, And you'll be prepared to say That there is truth, if not poetry, in the above
