Shutts vs Kirk—scire facias, apport that ticket at the polls." And you can be be best I could. When my character has Smith vs Baldwin in case, and trust in a good Providence that I after that vou had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be several convey to the public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred to be public a denial that you had I was in that sity, expending several hundred that you had I was in that sity, expending several hundred that a sit of the best I could be several hundred that you had I was in that sity, expending several hundred that you had I was in that sity, expending several hundred that you had I was in whelmingly defeated."

To your own or your informant's dichonor, there is but very little if any trut's in this charge. The facts are these. Some two or ers, I must say that I wish not to be numberteres months ago, I received a copy of the ed with Minutes of the "Central Union Association of Paid hypocrites, who turn Independent Baptist Churches," one of the lar- Judgment aside, and rob the Holy Book gest in the State, held with the Hatboro' Bap- Of those high words of truth, which search and tist Church, Montgomery Co. Pa., June 7 & 8, 353. Those minutes contained two resulutions of which I heartily approved, and for that reason I laid them aside carefully, for the purpose of offering them to our Association, at Liberty. I did offer them, at the time to which you refer, prefacing the offer with the fact I have here stated, and backing it up by reference to similar resolutions adopted by other Associations, in this State.

The Resolutions are as follows:

"Whereas, The religious feeling of this Association is against the Fugitive Slave Law enacted by Congress, therefore, we recommend the members of the Churches composing this body to use their individual influence for its

Resolvd. That this Association highly approves of the efforts now being made to ob-tain a law prohibiting the sale of intoxicating drinks as a beverage, in this State, and that we will collectively and individuable exert all our influence, politically and religiously, in fa-

The former was adopted without opposition The latter was objected to because of the word "politically," and after some little discussion was lost, although most of those, who spoke in opposition, said they were in favor of Islands. and should vote for the "Maine Law." Nothing was said in relation to our County Convention, or any of the Candidates in the field. pro or con, by any body. The general Agent of the Penn'a. Baptist State Convention was present and advocated the passage of the res clution. He informed us that most of the Associations which he had attended in the I give due credit to the honest convictions of of the resotution. I want none of it. A number of the delegates who were absent, when the vote was taken, have none of the honor. and the fourteen, who were present and voted for the resolution, gave good evidence that they want none of the honor of its defeat.

I must say, that my ideas of honor differ I must say, that my ideas of honor children gressing at a wonderful rate.

Widely from yours. I can but honor the Association, representing as it does a membersociation, representing as it does a membereighteen hundred and five votes. ship of more than three thousand, in its original passage of the resolution. Let me give you another resolution which comes more fully up to my idea of honor, or the subject of the office of Minister of Finance, and Elisha the "Maine Law." It was passed by the Northumberland Baptist Association at its anni- place versary (Aug. 18 and 19 last) held in Milton near the seat of the "Lewisburg University,"

Bestist Gollege. It reads as follows:

"Whereas, We believe the Manufacture, sale
