The Northeast road runs through Harbor satisfaction to know that he has made every effort to carry out and sustain the principles of our Order, the grand object of which is to fraternize the world and to unite in one Brotherhood "all people, tongves and kinof their public thoroughtare, and cross it fredred." We have seen in him that exhibition

of Friendship, Love and Truth, that we so much admire, and desire should govern all our actions. To our Sister, the wife of our departed Brother we would say, let not the link that is just broken cast you down. Remember we all must die, and remember too that there are those left who will watch over you in sickness, and assist you in health, who will wil-

lingly and freely counsel with you in all trials and troubels of this life. The whole matter, with the various issues To you Brothers and Sisters of our Order, and questions that render it so complicated I would say, you can here behold an emblem to all not previously adquainted with the of the entin still sleep that we are sure taets and history of the case may be summed to undergo; let it sink deep into your minds, up briefly as follows: The Erians want a for you know not how soon it may come to break at their city, because it would give you, let it teach us all the great necessity of them a share in the profits derived from the faithfully performing the duties we owe our act of the Legislature of Pennsylvania of 1796 transportation and transfer of freight. They Maker, our kindred, our brothers, sisters and want the road to run down to their harbor, to ourselves :- Therefore let your workings be knowing that it would greatly improve their for Charity through love, and your hope in made an absolute dedication of the streets, commerce, by the employment of their vesse Heaven. And though you may be often censels in the transportation of freights' to the surel, and often hear person speak ill of our various ports for Lake Eric. If the road is Order, blame them not, rather pity them, reappropriation or grant of the use of the streets permitted to run through their city without membering the dving prayer of our Saviour a break, they will derive no benefit from it; when he stool alone, no friend to console

but nearly in the proportion of the profit him, all around was but pursecution, yet did ects and uses for which they were originally which they would derive from its maning to the not say : " Father forgive them, they know granted and chartered would be void, as two the harbor would be the loss to the Buffalo- not what they do." May Faith, Hope, and grants of the same right both for sim lar mans. Here, then, you see the interests of Charity, coupled with Friendship, Love, and purposes would be inconsistent, and could not the two States, so far as these cities are con- Truth, those Divine and ever to be cherished strong beer, ab. or other malt liquors, according ist in the nature of things. A distinction cerned, come in direct conflict, and this the principles be and remain with you always.
