Pulvemacher's Halro Electric Voltaic Chains,

A new and novel mode of applying a powerful remedial agent, so constructed as to be worn under

the garments, next to the skin producing a constant

uninterrupted current of Electro Magnetism, effect-

ing immediate relief from the most acute min, and

also a permanent cure of all Nervous Diseases. It

eeldom has failed to furnish almost instant relief, and a final, permanent cure, by being used accord-

ing to directions, to the following discases .- Rheu-

matism, Gout, Sciatica, Paralysis, Painful and

Swelled Joints, Neurolgia of the face, Diseases of

the Spine, Deafness and Blindiges, Uterine Pains, Palpitation of the Heart, Periodical Headache, St.

relieved, if not permanently cured by simply wearing the chains a few hours each day.

Be it understood that it is not claimed that it

fy that no medicipal agent of any kind hasperformed so MANY cures during the last year, of those

Pulvermacher's Electric Chain.

And to prove this assertion, we dely any person

produce so many well authenticated Certificates of scientific Physicians and intelligent patients as may

be found in a pamphlet of 36 pages, to be had (gra-

tis) of the agent in this town. The Electric Chains

were first introduced in France in 1850, and after being subjected to the most thorough and rigid trial,

by the first medical men in Paris, they were found

to possess strange and marvellone power for reliev-

also secured letters patent by the French Govern-

Popular Curative Agent in the World.

They were first introduced into the U. States a-

out one year since, and went through the same

concerns ourselves as human beings, with human functions and passions, subject to great derangement, involving our future peace and happiness in all that concerns the health and welfare of the wife of our affections, and the mother of our children; in all that concerns the mental and physical well being of those children, we should be immersed in the darkest and most BENIGHTED IGNORANCE.

How long shall this ignorance prevail so produc-tive of its bitter fruits? How long shall the wife and mother be ignorant of the nature, character and causes of the various womb and sexual complaints, embittering her days by suffering—suffering often prolonged to years, eventuating in a complication of diseases utterly and hopelessly incurable? Shall we for ever close our eyes to the results of physio-logical science by which we may arrive at an understanding of ourselves as men and women, subject to scrious life-long enduring diseases, and perpetuating them to our children. AS CULPABLE AS INEXCUSABLE! LET EVERY WIFE AND HUSBAND PONDER!
