

County School Convention.

The Convention met pursuant to the Act of Assembly Monday June 6, 1854, in the basement of the Baptist Church in Montrose, and was called to order by Wm. H. Jessup, who nominated Wm. A. Turrell as President, and upon motion he was elected. Wm. H. Jessup and G. C. Lyman were then elected Secs.

The chairman then stated the object of the Convention in a short address, after which the townships were called and the names of the Directors present taken.

A Resolution was then offered by Oliver Rathop, that a Committee be appointed to report on the remuneration of the County Superintendent. This was discussed by Messrs. Rathop, Jessup, McCreary and Kent, and was lost.

Mr. Fitch offered a Res. that the Convention fix the salary of the County Superintendent at \$1,600 per annum, to be paid in four hundred dollars. This amendment was discussed by Lyman, who amended it so as to read eight hundred dollars, which amendment was discussed by Messrs. Elich, Lamm, S. T. Brown, Jessup and White, who amended it to five hundred dollars. This amendment was discussed by Messrs. L. M. Turrell, Rathop, Horace Brewster, and H. Warner. C. F. Read amended it to eight hundred dollars, which was amended by I. P. Baker to four hundred dollars, and this amendment discussed by A. B. Lung.

On motion of Mr. Read the Resolution in regard to fixing the compensation was postponed until after the election of Superintendent.

The Convention then resolved upon the election of County Superintendent. The following gentlemen were then nominated as candidates for the office, viz:—George T. Frasier, E. A. Weston, A. B. Lung, Wm. Belcher, John W. Walker, Willard Richardson, Lyman Richardson, Benj. F. Tewksbury, Gabriel Cook, Oliver Rathop, S. U. Hamilton, Horace Brewster, Samuel A. Newton, and John F. Deans.

A motion was then made and carried that the friends of the candidates present their claims and qualifications to the Convention. Thereupon Messrs. Deans, Brewster, and Rathop declined being candidates. Willard Richardson presented himself offering to accept the office for \$350, stating that the time he could devote to it would be the months of July and August and the month of December, beside a day or so each week, when not employed in his school.

Messrs. Chamberlain and Frasier presented the claims of Geo. T. Frasier, stating that he has been County Superintendent in Broome County for three years, and was an old and efficient School Teacher, and a man of energy and strict morality. Mr. Hammond presented Mr. Walker. D. M. Frasier spoke in favor of Lyman Richardson. Wm. Belcher presented himself and was followed by Mr. O. Rathop, in favor of A. B. Lung. Daniel Baker desired the election of B. F. Tewksbury, and E. A. Weston presented himself.

The Convention then proceeded to vote with the following result upon the first call: Geo. T. Frasier, 17; E. A. Weston, 17; A. B. Lung, 17; Wm. Belcher, 17; John W. Walker, 17; Willard Richardson, 17; Lyman Richardson, 17; Benj. F. Tewksbury, 17; Gabriel Cook, 17; Oliver Rathop, 17; S. U. Hamilton, 17.

Upon the second call, Geo. T. Frasier had 25; E. A. Weston, 25; A. B. Lung, 25; Wm. Belcher, 25; John W. Walker, 25; Willard Richardson, 25; Lyman Richardson, 25; Benj. F. Tewksbury, 25; Gabriel Cook, 25; Oliver Rathop, 25; S. U. Hamilton, 25.

It was then Resolved, that the thanks of the Convention be tendered to the Trustees of the Baptist Church for the use of their room—and further Resolved, that the proceedings of the Convention be published in the papers of the County. Mount Vernon.

A report has been submitted to the Senate, in favor of the purchase of Mount Vernon by the Government, in which it is proposed to establish there a National School of Agriculture. Every American heart would rejoice to see the venerated home of Washington secured from neglect and decay. We have read some late accounts from persons visiting this scene of the Republic, in which there are statements showing that dilapidation and partial ruin are strongly observable about the ancient mansion of the Father of his Country. Congress, during the present session, has had before it the subject of purchasing Mount Vernon, and if we remember right the principal objections were the members from Virginia, who took the position that that State would not permit the general government to become the purchaser of a part of her domain, for a merely patriotic purpose. This objection, if well founded, may be avoided by adopting the suggestion of the Committee, to make it the point where shall be established a school of Agriculture. No improper precedent can be laid down by the great object of securing the premises from neglect and decay. We have no doubt, that a price considerably beyond its true value will be paid for the property, but the country will be willing to bear the imposition, rather than see it go into the hands of those who may make it pander to mercenary motives, by turning the venerated homestead to account, as a *Barnum*. Mount Vernon should belong to the nation which its noble owner created. It was to this retreat he retired when he yielded up the power placed in his hands by a grateful and confiding people. There it was he enjoyed the purest domestic delight, surrounded by those who were kind to him by the strongest ties of kindred and reverential love, and there, above all, repose the mortal remains of the Great Man, in whose undying fame the throbbing heart of national Freedom in all lands is most deeply interested. We hope the venerated spot may be secured by the Government, and that no expense will be spared to make it as beautiful as the highest art of cultivated art can conceive. *West Chester Republican.*
