A WONDERFUL Discovery has recently been made by A Dr. Curtis, of this city, in the treatment of Cousumption, astima and all discuss of the Lung. With this new method Dr. C. has restored many afflicted ones to perfect licalth; as an evidence of which he has innumerable costificates. Speaking of the treatment, a physician remarks: It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the arial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion.—The Hygeans is for sale at all the druggists throughout the country.
