of the 16th. The 16th has come and passed, and the only bloodshed we have heard of BY a recent Act of Congress, the Bounty Land Law has been extended, to embrace was committed in the township of Forest Lake. Daniel Hawes, who on the night of the 15th, took his axe and couched himself on a lounge, but being rather a sluggish sentinel fell asleep. Sometime in the course of the night his hired girl, Miss Birdsell, had occasion to rise and go out. She passed out of the house unbeknown to Hawes, but when coming in Hawes was aroused by her noise at the door. He sprang to his feet, clenched his axe, and met Miss Birdsell. As she entered the door he struck her on the head with the axe before he discovered who she was. Miss Birdsell is seriously hurt, though she will probably recover. Wonder what the next performance will be.
