When Mr. W. commenced in this city, he was told by competitors that he had better "move on" as the planos lie officied were " no go," but Horace being a pretty stubborn New Englander, concluded

new block erected the last summer next east of Testimonuls from Professors and Opinions at least, until he tried the market; and his conhe wouldn't," move on" the way his rivals meant elusion now, after six years trial, during which he has been compelled to enlarge his premises

several times, is that he will " move on," and keep moving on until he is able to sell 100 instruments a week, instead of 30, ar.b make at least 25 of the 100 himself. After all, Mr. Water's success is mainly to be attributed to his liberal patronage of the press. There is scarcely a paper in the Union of any respectability, into which his advertisements have not found their way. By no other means could he in so short a

time have arisen to his present position. His late reduction of price of music and instruments has also largely increased his trade.
