Horace Waters, whose reputation is established all over the country as one of the most success-ful and extensive dealers, and one of the best makers of the piano, this side of the Atlantic .-

The instrument in question, was one of his own case, inlaid with various colored mother-of-pearl with keys of the same material, and altogether shining and sounding as we might fancy of some sky-lark-ing scraph, in piano form. A more exquisite piece of workmanship we do not rememdusite piece of work data only and the elegance of its exterior was the least of its merits. In tone, it was equal to a grand-action, and we doubt if Erard,

or any other European celebrity, could produce a more superb voiced instrument. Mr. Waters has experimented in stringing his planos-introof all kinds in the United States.
