Whether in Male or Female, from whatever cause they, may have originated and no matter of how long standing.

If you have contracted the terrible disease which, when come scated in the system will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the relection of a remedy in these cases.

The Fluid Extract Buchu has been pronounced by eminent Physicians the greatest remedy erre known. It is a medicine perfectly pleasant in its taste and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and pol onous virus of this dreadful disaase; and unlike othes remedies, it does not dry up disease; and, unlike other remedies, it does not dry up the disease in the blood.
