Whether in Male or Female, rom whatever cause they may have originated and no from whatever cause they may have originated and no matter of how long standing. If you have contracted the terrible disease which, when once seated in the system will surely, go down from one generation to another, undermining the constitution and sappling the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated to deceive the young and those not arquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases. quainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

The Fluid Extract Buchu has been pronounced by emi-nent Physicians the greatest remedy erer known. It is a medicine perfectly pleasant in its taste and very innocent in its action, and yetso thorough that it unwishlates every particle of the rank and polyonous virus of this dreadful disanse; and, unlike other remedies, it does not dry up he disease in the blood.

CONSTITUTIONAL DEBILITY, constitutional density of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the but the glorious subition of many a noble youth, can be cured by this in fallible remedy. And as a melicine which must benefit everybody, from the simply delicate to the confided and de-pairing invalid, no equal is to be found, acting both as a cure and preventive

Saveral cases of secondary Syphills, Mercorial and Scrofulous diseasess have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be levised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.
