If you have contracted the terrible disease which, when once scated in the sastem with surely go down from one generation to another, undermining the constitution and sappling the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated, to decive the soung and those not act quainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

The Fluid Extract Buchh has been prenounced by emigent Physicians the greatest remedy ever known. It is a medicine perfectly pleasant in its taste and very innocent in its action, and vet so thorough that it annihilates every verticle of the rank and not onous virus of this dreadful disease; and unlike othes remedies, R does not dry up the disease in the blood.
