Wallack's, which was opened by Mr. Stuart as lessee Find Dion Bourcicavit ns managen has been doing a good business. Agnes Robertson, the "Fairy Star," as she has been christened by the admirers, is the attraction. The novelty has been a play called the Phantom, written by Bourcicault himself. It is Younded on the horrible superstition of the Vampire, and is as shadowy and ghostlike as can well be imagined. It is, however, an intensely interesting piece, and has created a favorable impression upon the audiences .--Miss Robertson is a most charming little woman; her equal in the parts she essays, has never appeared here. The new establishment is called the Summer Garden' though the "Garden" part of the story is a mere catch. Faura Keene and Burton have not yet company, during the British invasion.

compromised their difficulty, and Burton will undoubtedly take possession in September, and Laura will be compelled to try her foitunes elsewhere.

The greatest novelty we have yet is a Miss victory. Emma Stanley at Niblo's Garden. She gives a very peculiar entertainment called "The manufacturer, merchant farmer or profession-Seven Ages of Woman," in the course of which she gives imitations of about fifty different character. She speaks and sings in French, Spanish, German, Turkish and Italian, and plays the piano and guitar, and dan- quired quite a reputation, but in no other ces admirably, so that she seems to be a whole point does he excel. This young Lieutenant dramatic company in herself. The thing is is not known, even for any military exploit, novel and unique and will no doubt have a and only known as being a Rocky Mountain fine success.

Other exhibitions are doing, well, although the hot weather has driven multitudes out of West, was brevetted a Colonel-and then he town.

FIRE PROOPS. THE SALAMANDER SAFES Lof Philadelphia against the world - Rvans & Watton, No.22 sonth Fourth street, Philadelphia,

have had the surest demonstration, in the following Certificates, that their manufacture of Salamander Sales has at

length fully warranted the representations which have been made of them, as rendering an undoubted scenrity against the terrific element :

PHILADELPHIA, April 12, 1856. MESSES. EYANS & WATSON:-Gents :-It affords us the highest satisfaction to state to you that owing to the very protective qualities of iwo. o' the Salamander Safes which we purchased of

von some few months since, we saved a large portion of our Jewelry, Books, Papers, de., enposed to the calamitous fire in Banstead Place, on the morning of the 11th inst. When we reflect that those, Sales were loca-

ted in the fourth story of the building we occu-pied, and that they fell subsequently into a heap of burning mins, where the vast concentration of heat caused the brass plates to melt, we can

not but regard the preservation of the valuable contents as most convincing proof of the great security afforded by your Safes.

Woshall take much pleasure in recommending them to men of business as a .sure reliance against fire. GEORGE W. SIMONS & BRO.

PHILADELPHIA, April 12, 1850. MESSIES. EVANS & WATSON-I have to offer con my festimony in favor of the great security. afforded to my entire stock of Jewelry, books, papers, See, during the recent disastroas conflagration in Ranstead place, from the fact that the same were contained in two of the Salamander

Safes monufactured by you. Having fullen from the fifth story of the Artian Building, where they wore previously placed and exposed to a vast heat for a long time, the preservation of the valuable deposits seemed to every one who witnessed the opening and interior examination, a matter of profound astonish-

ment. To all who may require a perfect protection from the ravages of fire, I shall not hesitate to recommend the use of your Safes, as I consider they have now undergone the most trying test. N.E. Morgan.

PHILADELPHIA, April 14, 1856. MESSAS EVANS & WATSON-Gentlemen-No. doubt your will be deeply gratified to learn the good condition in which I discovered my book, policy of ansurance, certificates of stock, and other valuable documents, when on Friday last I

opened the Safe made by your firm. With my knowledge of its great exposure, fire as that which destroyed the Artisan Building, is, the from the force of the fall from its former elegated position in the third story, I could entering but slender hopes prior to its interior inspection, that the contents which I once so highly brized would ever be of any service to me, but asthese fears are now happily removed I feel it only due to say to you that I can hence-forth recommend the use of your Safes to all who may that to feel a confidence in the per-

bet security which such means provides against o frightful an element. EDWARD GASHILL, Bookbinder. Constantly on hand, Patent Powder and Thief Proof Lucks, for Banks, Stores &c. April 24, 1856.-17y1.
