Hardware and House Fuirnshing Goods.

THIS is a progressive age. No our doubts it; or if they did, a glance at the manifold writes on which the lightning whizzes with important news, would soon convince; a look at the rushing cars would add more emphasis to the last and wise conclusion. New proofs present themselves each day; each day we are

more anxious to-"Catch the living manners as as they rise," turn them to our own account, and take in as much cash as possible.

Now a days people are averse to dealing at ald fashioned Stores—those established from ten to

twenty years ago. Their proprietors having become thoroughly imbued with the high price principle, (or rather lack of principle,) are unwilling to lower their demands to a scale more in accordance with the times we live in. Resolved to keep pace with the progressive spirit of the age, we have opened our new and spacious Store, No. 51, Court St., with a very large assortment of

CATHARTIC PILLS OPERATE by their powerful influence on the internal viscera to purify the blood, and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Ahnanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to corre.

For Costiveness.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while sinder a costive habit of body. Hence it should be, as it can be, promptly relieved.

costive habit of body. Hence it should be, as it can be, promptly roliered.

For Dyspersia, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthurn, bodyburn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a Four Stomach, or Morbid Inaction of the Bowels, which produces general depression of the spirits and had health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

For Nervotskess, Sick Headache, Nausea.

Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they. do: These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul. For Schorula, Errstrals, and all Diseases FOR SCHOPPLA, ERESPELAS, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful uleers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saterate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, uleers, sores, and all or any of the unclean diseases of the skin, because your water wants cleansing.

of the unclean diseases of the skin, because your, system wants cleansing.

To PUBLIFY THE BLOOD, they are the best medicane ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property when the rough part of the property of the system is the weak of the property of the system is the rough part of the system in the rough part of the system is the rough part of the system in the property of the system is the property of the system of t they do as much good in preventing sickness as by the remarkable cures which they are making every

the remarkable cures which they are making every where.

Liver Complaint, Jaunder, and all Bilious Affections arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct, which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languer, low spirits, weariness, restlessness, and melancholy, with sometimes inshill to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents. the cause of all these troubles. It is weeked to studer such pains when you can cure them for 25 cents.
RHEUNATISM, GOUT, and all Inflammatory Ferrers are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principle of Life. For these and all kindred complaints they should be taken in will desert to recent the beauty specific but for the recent purifications. mild doses, to move the bowels gently, but freely.

He had bought a suit of ready-made clothes it the Store, and the first day's wearing the acident occurred. First, off drapt his cont-tail by the mere force of specific gravity, giving to un-fortunate man the apperance of a badly trimmed raft with the flying jib in the stern, and on stooping over to pick up the remnant, the dreadful casualty took place—the fountains of the great deep were broken up-Green's pants were sundered from ankle to waist, and Green himself seemed to be. The only way to prevent such eplorable accidents is to patronize a skillful taior, who makes up his work with a determination that it shall not only fit neatly, but wear well. Green buys at the clothing store because he thinks he can get his gearing a little cheaper.
