The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"Dr. J. C. Arra — Sir: I have taken your Fills with great benefit, for the lisitesaness, languor, loss of appetite, and Bilious headache, which has of late veras overtaken the in the spring. A few doses of your Fills cured me. I have used your Cherry Fectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure; and I feel it a pleasure to comment you for the good you have done and are doing."

JOHN F, BEATTY, Esq., Sec. of the Penn. Railroad Ca., says:

"Pa. R. R. Office, Philadelphia, Dec. 13, 1853.

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Fectoral and Cathartic Fills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them." Palls. The widely renowned E. S. STEVENS, M. D., of Wentworth, N. H., writer:

"Having used your Carranter Pills in my practice," certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, existing headache, indigestion, contiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as experient to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Chary Pecteral as the best Cough medicine in the world; and these Pills are in De wise infectior to that admirable preparation for the treatment of diseases."

"Dr. J. C. "Your Pills have cured me from a billous attack which saves from derangement of the Liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cired. "New Orleans, 5th April, 1854.

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your Chrant Pretagnation and since then has enjoyed perfect health. My children have several times been cured from attacks of the Inducana and Croup by it. It is an invaluable registed for these complaints. Your Cathartic Pills have entarely cured me from a dyspepsia and contiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to pet relief from the best Physicians which this section of the country affords, and from any of the numerons remedies I had taken.

FIRE PROOFS. JUNESALAMANDERSAFES of Philadelphia against the world—Evans & Watson, No. 26, south Fourth street, Philadelphia, have had the surest demonstration in the following Certificates, that their manufacture of Salamander Safes has at length fully warranted the representations which tave been made of them, as rendering an un

loubted security against the terrific element; Philadelphia, April 12, 1856.
Messes. Evans & Watson:—Gents:—It afords us the highest satisfaction to state to you that owing to the very protective qualities of two of the Salamander Safes which we purchased of you some few months since, we saved a large portion of our Jewelry, Books, Papers, &c., exposed to the calamitons fire in Ranstead Place, on the morning of the 11th inst.

When we reflect that these Sales were located in the fourth story of the building we occupied, and that they fell subsequently into a heap of burning rains, where the vast concentration of heat caused the brass plates to melt, we can not but regard the preservation of the valuable contents as most convincing proof of the great security afforded by your Safes. We shall take much pleasure in recommending them to men of business as a sure reliance against fire. Geonge W. Sinons & Bro.

Messas. Evans & Watson—I have to offer you my testimony in favor of the great security afforded to my entire stock of Jewelry, books papers, &c., during the recent disastrous confla-gration in Ranstead place, from the fact that the same were contained in two of the Salamander Sales manufactured by you.

Having fallen from the fifth story of the Arti-

san Building, where they were previously placed and exposed to a vast heat for a long time, the preservation of the valuable deposits seemed to every one who witnessed the opening and interior examination, a matter of profound astonish-To all who may require a perfect protection from the ravages of fire, I shall not hesitate to

recommend the use of your Safes, as I consider they have now undergone the most trying test.
