PRESIDENTIAL ELECTION

TUESDAY, NOVEMBER 4th.

WILMOT, JOHNSON, and LONDON, on their faces before a Presidential Committee!

Who look on this picture!!! Who roared over in the dirt now David?

Our Stump Judge has frequently amused his worshippers by picturing to their excited imaginations, the democratic party rolling over in the dirt at the feet of the slave power.

It has wasted a great deal of eloquent indignation and wit on this picture painted by himself for party purposes.

His design has been to convince the people that the democratic party possessed neither integrity or independence.

It is a great slur, based on the idea of property in negroes, detailed the policy of the only national political organization in the republic.

Now, when he, his masters and his slaves, assert that the democracy are pro-slavery, they publish a charge that is infamously false, and they know it.

All their talk about subservience to the south and the interests of slavery, is late, and when applied to our party, without the shadow of truth.

We defy them, with their mendacious tongues, to name one measure, originated and sustained by the democratic party, for slavery.

The democratic party is on the contrary lenient with wise and patriotic measures.

It has brought the republic up to its present height of prosperity and power.

It has vindicated the constitution as our fathers made it, and maintained the rights of all transplanted on the continental privileges of the land.

The Elections—Pennsylvania true to the Constitution, the Union and her favorite son—Clayton elected Governor from the West—Fremont right side up! Large Democratic gain in Ohio!

Fremont, Oh, I shall never see you in the White House! How I wish I never had seen the Hon. Mr. Fremont, when he was in the West!

The Democratic State Ticket is elected by a majority of 6,000. We have elected fifteen members of Congress, secured a majority on joint ballot in our State Legislature, enabling us to send another national Democrat to the U. S. Senate.

The principles are anti-American and unjust; its policy is despotic and unwise. But the Filmore, compared with the Fremont politicians, are honorable and manly.

They make an effort to practice that which they profess, therefore they steadily refused to bargain with the "shuckers" in the formation of an electoral ticket.

They abandoned the high ground they took at Philadelphia a few days ago, remains to be seen. If plausibility and money are of any avail with them, they will admit the deplorable followers of the "Oath taker" into the campaign.

The recent State election, demonstrates to our initial fact that in Pennsylvania, Filmore is stronger than Fremont. Hence the humiliated of the Fremonters before the committee referred to.

They are treacherous, because they profess to advocate the "free-soil" sentiment and to support Mr. Fremont as the pledged representative of that sentiment.

In the face of their professions for "freedom," they offer themselves and their friends, to a party they have denounced bitterly as pro-slavery.

They are cowardly, because though few in number, they abandon doctrines which they profess to believe just and constitutional.

We invite the man who left the Democracy from honest, unselfish motives to watch the Filmore leaders closely and to repudiate their base course to sell the free voters to Filmore and the liberal, proscription of the party he represents.

The men who control the Fremont organization, are ready and anxious to bargain with Know-Nothingism and to sell their degraded followers, as sleep are sold in the market.

Recall that Fremont is not yet a candidate in Pennsylvania, that he has no electoral ticket, and that the leading Fremont "shuckers" have attempted to sell out to Filmore.

It would be well to see if you can vote for him, else displease your "bank of perfection" David Wilmot. For the benefit of unbelievers, we append two of the begging resolutions adopted by the Republican State Committee.

Resolved, That the Committee appointed to confer with the Filmore and Douglas State Committee, be instructed to invite them and unite with the same Executive Committee for the purpose of forming an electoral ticket.

Resolved, That the said Committee be instructed to invite the Filmore and Douglas State Committee to meet at Harrisburg on the 21st instant.

Susquehanna County Official Election Returns for 1856.

Table with columns for various offices: Can. Comm., Auditor Gen., Sur. Gen., Sec. Gen., Congress, Senator, Representatives, Associate Judges, Co. Com. Us., Auditor Dist., Atty. Co. Sur. Gen., O. S. Deane. Rows list various locations like Auburn, Apollon, Antrim, etc.

In Indiana, Willard, (Democrat) is elected Governor. His reported majority is about 6,000. The Democrats have also a majority of the Congressional delegation.

In Ohio (fusion strong hold) the Democrats have gained seven members of Congress. These elections clearly indicate an overwhelming democratic victory in November.

The returns up to this date (Tuesday) show democratic victories in Indiana and Pennsylvania, with large democratic gains in Ohio.

The "shuckers" are no longer potential with the masses. The past doctrine of non-interference with Congress with slavery in States and territories is being approved by the honest yeomanry of the country.

Democracy of Susquehanna stand to your guns! Go into the November contest, with a firm determination to poll three thousand votes for the favorite son of our gallant Old Commonwealth.

John C. Fremont, is a man of noble and noble character, without experience in civil affairs, and wholly incompetent to discharge the duties of the position to which he aspires.

The Fremont Government, Alliance between the "free soil" and "pro-slavery" parties. Harrisburg, Oct. 21st '56.

The convention called to meet to day assembled at 2 P. M. Nearly every one was fully represented, men of all shades of opinion.

Luna E. Todd, Pres. A com. of one was chosen from each Con. Dist. to nominate an electoral ticket.

The party that dares to support this outrageous fraud is doomed to utter annihilation for no honest man can sustain it.

Gov. Pollock made a speech in the evening urging his friends to support this infamous coalition!

The result in this County. The Black Republican, Know-Nothing elected their county ticket.

Democracy up and at them, but back upon these political gamblers the insults they have heaped upon you during the campaign.

Will the Legislature (Pro-Slavery) of this place dare to vote for SIMON CAMERON for Governor?

He says, his success is hopeless, and its existence a disgrace. It is a DESERTION OF FREMONT, and a betrayal of the best hopes of the county.
